## Building

Once again, despite a lackluster economy, our members demonstrated tremendous generosity during 2010-11. Thanks to your unwavering support, the FarmHouse Foundation had a record-breaking fundraising year, and was able to provide the necessary financial support for leadership programs, scholarships, and other critical needs of our chapters.

Approximately 1,600 of you contributed \$1,381,268 to the FarmHouse Foundation in 2010-11, including an impressive \$914,523 in unrestricted support (Annual Fund, Foundation Councils, and Building Funds), \$266,571 to endowment funds and \$196,064 to temporarily restricted funds.

Thanks to you, the Foundation was able to provide grants totaling \$347,449 for the following purposes:

- \$128,994 for leadership training and educational programs;
- \$122,824 for educational portions of chapter houses;
- \$9,082 for chapter computers and technology;
- \$38,489 for 69 members for scholarships;
- \$4,459 for foundation councils to use for educational purposes; and
- \$43,600 for support of the International Fraternity.

In April 2011, the Foundation held its 5th annual Power of Seven Seminar in Scottsdale, Arizona. The Power of Seven Seminar is an award-winning program that brings together seven distinguished alumni, seven outstanding undergraduates, and members of the Foundation Board of Trustees and the International Board. The group discussed issues and trends that impact key sectors of our economy today, including agriculture, healthcare, real estate, the automotive industry, energy and the financial sector. The group also focused on career and leadership development. As in previous years, the quality of the undergraduates involved in the forum was outstanding. The legacy of FarmHouse is certainly in capable hands.

On behalf of the FarmHouse Foundation, I would like to thank all of you for your generosity and support over the last year. Your decision to support the Foundation has helped FarmHouse advance its unique and important mission: Building the Leaders of Tomorrow. I am inspired by your commitment to FarmHouse and honored to serve as Chairman of the Foundation Board. I look forward to an even more successful 2012.

# Message from the Executive Director

Building

What an incredible gift you have given FarmHouse... you have invested in today's younger generation who will become tomorrow's leaders. You helped them pursue their

dreams and fulfill their career aspirations. You chose to give your hard earned dollars to Build Men and we are immensely grateful.

Therefore, it is my honor to share with you details about how YOU, by your support and your gifts helped us to accomplish our mission.

I have had the privilege to be a part of the FarmHouse Foundation's staff for ten years, and for 4 years I have had the opportunity to serve as your Foundation's Executive Director. I am also a member of Alpha Phi, so I strongly believe in the Greek experience and how it can be transformational in your life. It certainly has been in mine. More importantly, I believe in FarmHouse – the vision, goals, dreams and people that make this Fraternity great. I see every day in my work the impact we make on individuals, universities, communities, industry and society. For me, being a part of an organization that is so important in others' lives makes my career – my decade on staff – worth it!

For 45 years, Building the Leaders of Tomorrow has been the Foundation's business as well as our passion. Since the initial \$2,000 gift from the Executive Board of FarmHouse Fraternity in 1966, we have seen incredible growth in our assets, now over \$7 million, receive total gifts of over \$1 million annually and continue to make significant grants to the

Fraternity and our members in support of their education in and out of the classroom. It is because of YOUR dedication that the Foundation has been able to succeed over the past 45 years. Hundreds of FarmHouse members, parents and friends annually make our mission possible.

Our mission is possible only with your investment and you can be proud that the Foundation's funds are raised with the participation of 100% of the Foundation Board of Trustees, International Fraternity Board, Foundation Staff and Fraternity Staff.

You might be asking how do we raise this kind of money?

We meet with you – our FarmHouse members, we mail thousands of letters, we coordinate phone-a-thons, we host events, we're on Facebook & Linked In, we ask undergraduates to join the Ruby Society and we ask everyone to spread the word about the Fraternity and Foundation's important work. To put it very simply, we ask!

We call on all sorts of FarmHouse alumni. Many are previous donors and some are brand new. Men like you – volunteers and alumni leaders – of varying ages, such as a 96-year-old devoted alumnus, the alumnus whose son is now in his chapter, the couple who met at FarmHouse and the newly graduated young man – from all across North America.

What are we learning? That every single one we meet is absolutely dedicated to the principles of FarmHouse. They are fiercely loyal. They are smart. They are successful. They are leaders. And they are PROUD of the work being done to make our chapters strong and to make their younger

brothers educated leaders who will impact our world.

As we travel to meet with alumni, I keep in mind a testimonial from Jacob Holm (ND '09), "FarmHouse is a place where a good man can become great. Being among a group of talented brothers has inspired me to strive for better things. I am confident that FarmHouse men WILL change the world."

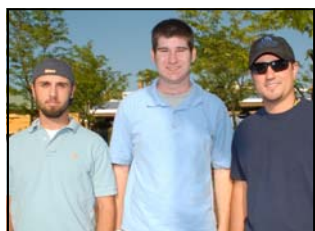

That's why we work. Volunteer. Lead FarmHouse. Because we believe FarmHouse will change the world. So I'm changing the saying from "it takes a village" to "it takes an entire brotherhood" to Build the Leaders of Tomorrow.

How do we do this? Through your investment. Last fiscal year, collectively 1,640 of YOU gave an unprecedented \$1.38 million to the Foundation, which allowed us to make grants totaling \$347,449 to the Fraternity. We are prudent with the gifts we are given, spending 16 cents per dollar raised on fundraising costs.

We've accomplished a lot together this last fiscal year. We are humbled by your generosity and proud that over \$1.3 million was invested in our mission. More importantly, your philanthropy has impacted the lives of countless young men and provided the tools to help them fulfill their dreams.

As we look to the 2011 fiscal year, we can't rest on our laurels as the need for educational programs, safe and affordable housing, scholarship and leadership are still greater than our funding capacity. Please make your gift today and help the 2011 FarmHouse undergraduates and those that will follow dream big by investing in us. I guarantee your investment in Building the Leaders of Tomorrow will be well worth it!

## Audit

Dear FarmHouse Foundation Board of Trustees:

I have audited the accompanying Statement of Financial Position of The FarmHouse Foundation as of February 28, 2011, and the related Statement of Activities, Changes in Net Assets and Cash Flows for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The FarmHouse Foundation as of February 28, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

# 100 Legacies in the Making

Building

## There are 1,402 Reasons To Have A Will... And No Excuse Not To!

by Bob Off (CO'64, Executive Director Emeritus)

**1,402 is the number of undergraduate members FarmHouse Fraternity has on 33 campuses across North America.** That's an all-time high. You can continue to be a Builder of Men for them and those who will follow them with just a few simple sentences in your will. Called a charitable bequest, this type of gift works well for people who believe in FarmHouse and want to leave the Fraternity a legacy.

### In Return:

- You can do more for FarmHouse, but not today, because you are not actually making this gift during your lifetime.
- You have access to your assets throughout your lifetime.
- Your generosity and leadership will be recognized and appreciated by FarmHouse Fraternity & Foundation.

The Foundation's **100 Legacies In The Making Campaign** provides an opportunity for you to be one of 100 alumni and friends of FarmHouse Fraternity to step forward and leave a combined Legacy of **\$1 Million** to continue the Building of Men in perpetuity.

**Our Goal:** For 100 of us to make a new bequest or other planned gift of \$10,000 or more by December 31, 2011. Ten thousand dollars is the threshold the Foundation Trustees have established for named endowment funds that become a permanent part of the Foundation's support for the Fraternity.

To date, 20 alumni have joined the 100 Legacies campaign and pledged over \$675,000 in estate gifts. We haven't reached our goal---yet! **We need your help to do so!**

**The Result:** "100 Legacies In The making" will grow the Foundation's endowment by \$1 million (the endowment is \$4,930,000 at present) and enable the Foundation to continue to help build the Fraternity of the future.

You may designate your bequest or other planned gift (such as a charitable trust, gift annuity, or insurance policy) to provide income for:

- The Foundation Trustees to use at their discretion to support the educational programs and operation of FarmHouse International Fraternity & Foundation
- The leadership training programs of the International Fraternity such as the FarmHouse Leadership Academy, the Regional Leadership Conferences, and Conclave. You may designate this support to benefit a specific chapter.
- Academic scholarships for our undergraduate and/or graduate student brothers in a specific chapter or across the FarmHouse membership.

Providing for a bequest or other planned gift doesn't require a lot of time or expense. It's something any of us can do. It can be as easy as including a simple bequest in your will or adding a codicil to an existing one.

To participate in "the 100 Legacies In The Making" you need to provide:

- A copy of that portion of your will or charitable trust arrangement that pertains to your planned gift to the FarmHouse Foundation, and specifies the dollar value of the gift, or the percentage of your estate or trust and the value of that percentage at current value

# Annual Fund Building

The Annual Fund recognizes alumni and friends of the Fraternity who provide annual unrestricted gifts to the FarmHouse Foundation, thus fueling much of the service and progress of both the Fraternity and the Foundation.

As a 501(c)3 charitable entity, the Foundation is in the business of raising and investing money, then distributing it so as to do the most good for as many undergraduate brothers as possible. New programs often begin with the support of unrestricted money.

Unrestricted giving is essential to the Foundation's operation and programs. In order to honor and recognize donors who make unrestricted gifts, the Foundation Board of Trustees has established the Annual Fund program. (*† denotes deceased*)

## Power of 7 Seminar

*This award-winning seminar is a first class think-tank on FarmHouse Fraternity and the nation. Membership in The Power of 7 is limited to seven alumni annually who pledge to give \$7,000, a tax-deductible gift, to the Annual Fund. In return for their gift, they are invited to attend a dynamic, interactive two-day educational seminar in a casual, inviting setting. Seven top junior and/or senior undergraduate leaders also participate in this seminar in addition to FarmHouse Foundation Trustees and staff; members of the International Board and staff; and their spouses.*

## Ruby Society

*Protect the vision of FarmHouse. Ensure its future. Give.*

The Foundation would like to recognize the support provided by FarmHouse undergraduate members each year through the Foundation's undergraduate giving program, the Ruby Society. To become a member of the Ruby Society, undergraduates make a gift of \$10 to the Foundation. All donations to the Ruby Society support the leadership books and educational materials at the Regional Leadership Conferences and Conclave. This program gives undergraduates the opportunity to support their brothers—since its inception, undergraduate members of FarmHouse have donated over \$28,000 to this program.

Last Fiscal Year, 318 undergraduates from 20 chapters gave \$3,285 to the Ruby Society. Chapters are recognized for their participation in the Ruby Society at three different levels. Below is a complete list of chapters participating in the 2011 Ruby Society.
