# MESSAGE FROM THE CHAIRMAN

What a year! Our Fraternity membership grew to nearly 1,700 undergraduate members, and we received gifts from 2,132 donors totaling over \$6.2 million, providing a real vote of confidence in the leadership development underway at FarmHouse. Here are some of the last fiscal year's highlights:

- *Live. Learn. Lead.* — *The Campaign for FarmHouse* pledges and contributions reached \$15.9 million, well on the way to reaching our \$20 million goal.
- The third year of our Chairman's Club, recognizing Annual Fund support at the \$700 level and above, grew to 90 members.
- Our newest recognition level, *The Order of the Crest*, for cumulative lifetime giving of \$250,000 or more, now has 12 members with room for more.
- The Foundation made grants totaling over \$696,000 to fund leadership training, the educational portion of chapter housing, scholarships, computer labs, program services and general Fraternity support. Additionally, over \$4.7 million will be saved for future grants for chapter housing projects at 16 chapters.
- Our endowment funds earned a return of 6.62 percent, even in a low interest rate environment.
- We spent 4.7 cents on fundraising for each dollar raised, an impressive and award-winning

accomplishment by our talented Foundation team.

- Our asset base grew over 47 percent to \$17.2 million with the help of a number of chapter building campaigns and the strong results of *Live. Learn. Lead.* — *The Campaign for FarmHouse.*
- The Chapter Housing Loan Program made its first two loans to the South Dakota State and North Dakota State FarmHouse Associations. We expect this program to help many more chapters and allow us to invest our fixed funds in a way that adds value at the chapter level. Thanks to our loan

committee for terrific leadership in this area.

I want to thank my fellow Trustees for their dedication, creativity and generous sharing of time, talent and treasure to help guide our endeavors.

We are also blessed to have a terrific staff, led by Allison Rickels, who work as a team to make all of this possible.

Finally and most importantly, thanks to each of you for your support and investment in the future of FarmHouse and all our outstanding members.

“What a year! [...] thanks to each of you for your support and investment in the future of FarmHouse.”

Fraternally,

Jim Tobin (IA'76), Chairman  
Foundation Board of Trustees  
Monsanto, retired Vice President

# MESSAGE FROM THE EXECUTIVE DIRECTOR

**This year's Annual Report comes to you on the heels of an exciting year for FarmHouse.**

More undergraduates are joining FarmHouse each year, with more than 1,650 undergraduates currently. And, the Fraternity is expanding to more universities across North America—in the last five years, five new chapters have been chartered.

Additionally, the suite of leadership programs offered by the Fraternity is increasing in size and quality. In 2014, the International Fraternity added *The Journey: FarmHouse* service immersion experience to Honduras, *FarmHouse GROWS* recruitment school and the *Volunteer Leadership Summit* for FarmHouse alumni volunteers who work with the chapters.

The Foundation is also experiencing unprecedented momentum following the launch of *Live. Learn. Lead. – The Campaign for FarmHouse*.

We are proud to announce that your generosity broke records again for fiscal year 2014-15, concluding Feb. 28, 2015.

You and **2,132** alumni, undergraduates and friends donated a record **\$6.23 million** to the Foundation, and our assets increased to over **\$17.2 million**.

In turn, **\$696,248** was granted for leadership training, computer technology, academic scholarships, the educational portion of chapter housing and support of the International Office.

Additionally, over **\$4.7 million** of what was raised will be saved for future grants for the educational portion of chapter housing projects at 16 chapters.

**All that being said, it isn't about the money.**

It is about making FarmHouse's mission possible with the support you give year after year. It is about you extending your generosity and investing in 1,650 young men you may have never met.

*Because of you...*

**Leaders are inspired through FH educational programs.**

Your dedicated support provides vital training, mentoring and networking opportunities at the annual FarmHouse Leadership Institute, the Regional Leadership Conferences, the Emerging Talent Retreat, the Journey: FarmHouse, the Power of 7 Seminar, Conclave and locally through retreats and consultation visits.

**Scholarships are awarded.** FarmHouse members have the opportunity to excel and continue their education through much-needed academic scholarships. Others have the opportunity to discover the world first-hand through study abroad scholarships.

**Chapter house facilities are improved.** You assist the Fraternity and Foundation in ensuring that FarmHouse men have a safe, affordable and comfortable home away from home to live in, and, the up-to-date technology needed for today and tomorrow's members.

**FarmHouse undergraduates are becoming the leaders of tomorrow.** Your investment prepares today's members for life after college through values-based educational programs and provides for the continued development of

the International Office, staff and resources to continue to do more.

Your generosity enables talented young men to have a FarmHouse experience much like the one that helped shape you into the leader you are today. **You are changing their lives and, by extension, the world.**

As we embark on our new fiscal year, in order to keep pace with the Fraternity's exceptional educational

programs, we can't rest on our laurels. Today more is required to educate students for the challenges of our times. The changing world we live in calls for new investments in FarmHouse.

There are chapter houses in dire need of improvement (live.), young men deserving of scholarships (learn.) and inspiring educational programs to fully-fund (lead.). This requires an even stronger foundation under the excellent leadership programs and resources provided to our 1,650 undergraduate's today and in the future.

I ask you to continue your commitment by making a gift or pledge today so that together we can provide more opportunities for young men to receive the rewarding and life-changing educational experience that FarmHouse provides.

Your philanthropy changes lives, not just today, but forever.

Loyally,

Allison Rickels, CFRE

# Foundation Launches \$20 Million Campaign

**“We envision FarmHouse as a premier leadership organization. One that attracts the best and brightest men, supports their education in and out of the classroom, provides them a support system with a safe, comfortable and affordable home to live in, and continues to be a Builder of Men for generations to come.”**

This bold vision was announced at the 48th Biennial Conclave on July 26, 2014. The FarmHouse Foundation Trustees joined with undergraduates, alumni, staff and friends to launch *Live. Learn. Lead.* — *The Campaign for FarmHouse.*

This Campaign is the most ambitious fundraising effort in the Fraternity and Foundation’s history with a goal to raise \$20 million.

Thanks to the generosity of a growing list of leaders and exemplars, the Foundation kicked off the public phase of the Campaign with the announcement that \$12.1 million, more than half of the goal, had been raised.

As of June 30, an impressive \$17 million has been invested in the Campaign. FarmHouse alumni have shown that they are ready, locally and Internationally, to support their Fraternity in significant ways.

The Foundation’s goal is to raise the remainder of its goal by Conclave 2016—a challenging task, to be sure, but one the Foundation Trustees and Staff are confident can be accomplished with the help of every FarmHouse man.

*Live. Learn. Lead.* — *The Campaign for FarmHouse* is about our future. It is about making sure FarmHouse International Fraternity can sustain its remarkable ability to educate and assist young men to become the leaders of tomorrow who will make a difference in our world.

Today more is required to educate students for the challenges of our times.

*FarmHouse undergraduates helped provide a celebratory announcement of the public phase of the Foundation’s new Live. Learn. Lead. Campaign and how much had been raised by Conclave.*

The changing world we live in calls for new investments in FarmHouse.

There are chapter houses in dire need of improvement (live), young men deserving of scholarships (learn) and inspiring educational programs to fully-fund (lead).

This requires an even stronger foundation under the excellent leadership programs and resources provided to our 1,650 undergraduate members today and in the future. In turn, these young men will become leaders in their careers, families, communities and society.

The Campaign offers three ways to invest:

## Founders Annual Fund **\$3 million goal**

Support of the Annual Fund provides current, flexible, unrestricted financial resources for the ongoing leadership programs, educational initiatives and operations to do the most good for as many FH undergraduates as possible. The most effective investments are unrestricted for use where the challenges and outcomes are the greatest.

## Legacy Endowment Funds **\$7 million goal**

An investment in one of our 146 endowment funds, or establishing a named

endowment fund, permanently ensures FarmHouse will always have the “seed corn” necessary for the future.

## Chapter Excellence Funds **\$10 million goal**

Additionally, donors can support their chapter’s educational programs and local chapter housing campaigns through their Building Fund or Foundation Council.

*“Live. Learn. Lead.* — *The Campaign for FarmHouse* is about taking the next step, realizing our potential and changing the lives of hundreds of FarmHouse young men not just today, but forever,” said Allison Rickels, Foundation executive director in announcing the Campaign.

She continued, “FarmHouse is stronger than ever. But, if progress shall mark our every step, it’s time to think and invest even bigger than before.

This Campaign allows us to honor all that FarmHouse has achieved, and by reaching our \$20 million goal, assures we can continue to support the next generation of exceptional FarmHouse men in unprecedented ways.”

Rickels concluded, “I invite all FarmHouse alumni and friends to invest in this historic Campaign. I guarantee your investment will be well worth it!”

In fact, several donors have pledged a combination of current and estate gifts.

You may designate your gift to a variety of programs, including to directly benefit your own chapter.

The most effective gifts are unrestricted for use where the needs are the greatest. Gifts to either the Annual Fund or Endowment enable the Foundation to fund worthy programs reflective of the Fraternity's priorities and goals and respond to unanticipated needs and future educational projects.

Regardless of the amount and fund designation, all gifts and pledges given to the FarmHouse Foundation are recognized as Campaign donations and help ensure a thriving future for FarmHouse.

# DONORS GIVE OVER \$61,000 DURING 48TH CONCLAVE

Arms were flying, spotters were calling and the auctioneer was rushing to keep up with bids during the Foundation's Conclave Benefit Auction on July 26, 2014. Bidders competed for items ranging from Indy 500 box seat tickets, and a private plane ride along the Lake Michigan shoreline to a custom-made metal FarmHouse crest and Monsanto sweet corn seed.

Attendees and FarmHouse alumni across the country also had the opportunity to bid on items throughout the week during the online silent auction.

We thank all of our Auction donors

and those who contributed unique items, exclusive experiences and FH memorabilia to make the Auction a success.

Proceeds from the Live & Silent Auction, totaling **\$16,604** provided educational grants to FarmHouse International Fraternity for the leadership speakers and educational programming presented during Conclave. This money will also help the Fraternity secure nationally-acclaimed leadership speakers and plan top-notch educational programs for the 49th Biennial Conclave in 2016.

Also, as part of the Live Auction,

donors contributed an additional **\$39,196** to the Annual Fund during the special "Fund-The-Need" auction.

In addition to the live and silent auctions, the Foundation's "Stars of FarmHouse" wall was back again. A record-breaking 588 stars shone on the wall, raising over **\$5,900** for the Annual Fund. Alumni and friends of FarmHouse had the opportunity to purchase a star in honor or memory of a brother even if they couldn't attend Conclave.

Altogether, over \$61,000 was raised during Conclave for Foundation grants.

## 13 GENEROUS ALUMNI JOIN NEW GIVING SOCIETY

At the 48th Biennial Conclave, the FarmHouse Foundation Trustees launched *Live. Learn. Lead.—The Campaign for FarmHouse*. This is the most ambitious fundraising effort in the Fraternity and Foundation's history with a goal to raise \$20 million.

In conjunction with the kickoff, Foundation Chairman Jim Tobin (IA '76) announced the Foundation's newest giving society, *The Order of the Crest*. It is reserved for the Foundation's most generous investors whose cumulative gifts have reached \$250,000 and above. Eleven individuals join as inaugural members of *The Order of the Crest*.

In announcing it, Chairman Tobin said, "My wife, Gina, and I are pleased to contribute and be a part of this new giving level. I am also deeply honored to recognize 10 FarmHouse men as inaugural members and exemplary

donors and leaders. These men have given generously to advance our mission, are pillars of their communities and of our FH family, and have each made a significant impact on our Fraternity. Recognition with this new giving society is a small gesture of our appreciation for what they have given to *Build the Leaders of Tomorrow*."

The 11 inaugural members and their spouses include: Mary Alice & Ronald Bergan (ND '62), Gina & Ken Davis (OK '83), Pam & Rick Davis (OK '80), Gail & Steve Davis (OK '77), Judi & Jim Herbert (TN '61), Katie & Dick Kruse (KS '63), Linda & Gene Lloyd (IA '47), the late Lorraine & Orville Mowery (IL '25), Bobbi & Roy Reiman (IA '55), the late John Riley (KS '79) and Gina Heagney & Jim Tobin (IA '76).

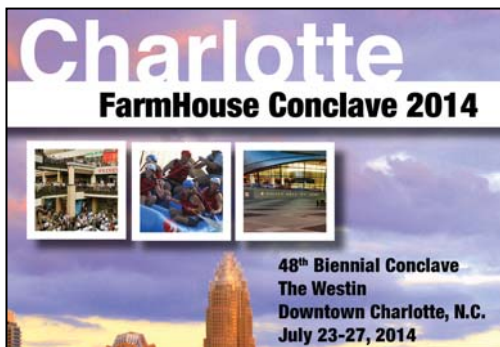

Since the announcement Glendia & Sonny Beck (PU '59) and Nancy & Doug

*The Order of the Crest members Jim Herbert (TN '61) and Jim Tobin (IA '76) receiving their gold cufflinks during the Foundation board meeting at Conclave.*

Sims (IL '65) have also generously joined *The Order of the Crest*.

To thank these individuals, each living member received a pair of handcrafted cufflinks. The gold cufflinks with the FarmHouse Crest depict the Fraternity's Coat of Arms and its significant meaning for FH.

*Undergraduates, alumni and friends enjoy the 48th Biennial Conclave July 23-27, 2014 in Charlotte, N.C.*

# PHILANTHROPY LAUREATES

The Philanthropy Laureate Award was established in 1999 by the FarmHouse Foundation Board of Trustees. This distinguished designation for outstanding philanthropic support is the highest honor bestowed by the Foundation. The recipient(s) must have exhibited great philanthropic intent throughout his/her life, be a member of the Fraternity, or have some connection with a FarmHouse brother, spouse, parent, relative, etc. Often the recipient is an individual who has made financial and service contributions of significant dimension to the Foundation, individual FarmHouse chapters and/or society. Recipients may be chosen annually, but are recognized at the Fraternity's biennial Conclave. Since its inception, 16 men have been named Philanthropy Laureates.

# ASSOCIATE MEMBER LEAVES A LEGACY

by Bob Off (CO'64), Executive Director Emeritus

I've always admired the wisdom of the Fraternity's practice and policy of allowing the chapters to initiate worthy men as associate members that didn't become members as undergraduates for whatever reason. Many, if not most, have become exemplary members, generously giving of their "time, pleasures and comforts" as chapter advisors, serving on association boards and on the International Executive Board.

One such man was John Riley (KS '73). John passed away suddenly on Sept. 16, 2013, at the age of 66. He was professor of agricultural economics at the University of Tennessee (UT), working there since 1995, and serving four years as the dean of agriculture. He became an advisor for the Tennessee Chapter shortly after coming to UT from Kansas State University, where he had been professor of ag economics and assistant director of resident instruction for the Ag College.

It was at Kansas State that John became involved with FarmHouse, and the chapter initiated him as an associate member. He served a number of years as an advisor to the K-State Chapter and as mentor to many chapter members for over 20 years.

In 2011, John shared his estate plans with Allison Rickels, the FarmHouse Foundation's executive director, and he became the second member to join the Foundation's **100 Legacies In The Making Campaign**.

In early June of 2014, John's estate was settled, and his bequest to the Foundation of close to a half million dollars became the largest estate gift the Foundation had received at the time. The major beneficiary was the Tennessee Chapter's Building Fund, which has the potential to be a game changer for that chapter. The K-State Chapter's building fund also received a generous amount, as did the Annual Fund.

We celebrate John's devotion and service to the Fraternity, and we are grateful for his generosity. John's example as an associate member is a reminder of the role FarmHouse has played in shaping and building each of us. Further, it underscores the opportunity that alumni and friends of the Fraternity have, through the **100 Legacies In The Making Campaign**, to assure that the Fraternity continues to Build Men in perpetuity.

Our goal is for 100 alumni to step up and make provision for a bequest or other planned gift of \$10,000 or more, which the donor has not previously advised the Foundation Trustees about. Ten thousand dollars (\$10,000) is the Foundation's threshold for named endowment funds that become a permanent part of the Foundation's support for the Fraternity.

To date, 53 alumni have pledged over \$3.6 million in estate gifts through the **100 Legacies in the Making Campaign**, and we are working on more.

We haven't reached our goal—yet! To do so, we ask you to consider John Riley's example and how you might leave a legacy with FarmHouse. Many of us don't have the opportunities that John had to directly advise and mentor our undergraduate brothers, but we can use our estate to support the Building of Men.

# FOUNDATION RECEIVES AFP AWARD

*Executive Director, Allison Rickels, accepting the Excellence in Fundraising award at the AFP's Mid-America Chapter's National Philanthropy Day.*

On Nov. 20, 2014, the FarmHouse Foundation received the distinguished 2014 "Excellence in Fundraising Award" from the Association of Fundraising Professionals (AFP) Mid-America Chapter at their National Philanthropy Day Celebration.

The event, with more than 300 in attendance, took place at the National World War I Museum in Kansas City, Mo. The FarmHouse Foundation was among eight honorees recognized, and the only organization staff/team honored.

National Philanthropy Day (NPD) began in 1986 and is recognized by numerous states, provincial, and local governments across North America. Its purpose is to recognize and pay tribute to the great contributions that philanthropy—and those people active in the philanthropic community—have

made to our lives, our communities and our world.

For more than 20 years, the AFP Mid-America Chapter has honored those involved in the work of philanthropy—fundraising professionals, fundraising volunteers and philanthropists.

When recognizing the Foundation, the AFP Mid-America Chapter said, "According to colleagues, the FarmHouse Foundation's team is made up of highly skilled professional fundraisers who inspire and maintain volunteer and donor buy-in, enthusiasm and momentum all while staying the course."

They also said, "in the last seven years, the total annual dollars raised has increased to \$6.2 million and

fundraising costs have dropped to 4.7 percent—well below the national benchmark of 20 percent. Further, through the *100 Legacies in the Making Campaign*, the Foundation has raised \$3.6 million in planned gifts."

Additionally, media releases after the event included the following, "This team has raised millions of dollars to support the educational, leadership and scholarship programs of the International Fraternity and its undergraduate members as well as for capital improvements for the Fraternity's various chapters. Their executive director, Allison Rickels, is the first woman to lead the foundation of an all-male fraternity."

We are grateful for and humbled by this distinguished award.

*Foundation staff members were featured in a video created for the National Philanthropy Day Award Ceremony. This video highlighted the Foundation's programs supporting FarmHouse undergraduates.*

# PROGRAMS & GRANTS

Thanks to you and other generous FarmHouse alumni and friends from across North America, the FarmHouse Foundation was able to provide the Fraternity \$696,248 in funding for educational and leadership purposes in the 2014-15 fiscal year.

## LEADERSHIP TRAINING & EDUCATIONAL PROGRAMS

\$141,481 was provided for leadership training and educational programs. Nearly 600 chapter members were directly impacted and all 1,650 members were indirectly affected. Below is a list of FarmHouse educational and leadership programs for FY 14-15.

### FarmHouse Leadership Institute (FLI)

The FarmHouse Leadership Institute (FLI) is held each January in Kansas City, Mo., and gathers top undergraduate leaders from across North America for four intense days of leadership training. Read more on pages 31-32.

### Regional Leadership Conferences (RLC)

The 2015 RLCs were held in Mobile, Ala.; Billings, Mont.; and Detroit, Mich. The curriculum featured the leadership book, "An Enemy called Average," which focused on understanding and identifying ways to improve chapters. Members attended workshops on leadership, career networking, professional etiquette and financial education. Each RLC also featured a night out in the host city—the USS Alabama, a WWII-era battleship anchored in Mobile Bay, Ala.; the Little Bighorn Battlefield National Monument at Custer's Last Stand and the Lakota Indian Tribe Memorial, in Crow Agency, Mont.; and the Henry Ford Museum, in Dearborn, Mich.

### To Be and Become...

#### Emerging Talent Retreat

Each chapter is invited to send a man who has completed his first year of college to the To Be & Become... Emerging Talent Retreat. Last fiscal year, 28 men attended the conference held May 21-23, 2014, at Camp Heartland outside of Kansas City, Mo. The curriculum included individual leadership development through the *StrengthsQuest* program, outdoor adventure team building activities and a high ropes course.

### 2014 Conclave

The 48th Biennial Conclave was held in Charlotte, N.C., July 23-27, 2014. This biennial meeting of FarmHouse representatives from every chapter and association included educational programming workshops, Conclave committee and delegate meetings and the election of International Executive Board leadership. Master Builders and Philanthropy Laureates were recognized and attendees enjoyed activities in the Charlotte area. During Conclave donors gave over \$61,000 to support the educational programs and initiatives of FarmHouse International Fraternity and Foundation.

### Power of 7 Seminar

This award-winning Seminar is a first-class think-tank on the nation and FarmHouse Fraternity. The program is an informal forum, conducted under the leadership of the Foundation Trustees, on the international business climate and economy. Membership in The Power of 7 is exclusive to alumni who pledge to give \$7,000, a tax-deductible gift, to the Annual Fund. In return, they are invited to attend a dynamic, interactive two-day educational Seminar and mentor a top junior or senior undergraduate leader. Read more on page 28.

### Inaugural The Journey: FarmHouse

May 31-June 6, 2014, 14 FarmHouse men and facilitators traveled to Honduras to offer "service to their fellowmen and to the world." They built a house for a family in need, toured the countryside and learned about

Honduran agriculture. In addition to the service and immersion components, dedicated time was spent in group discussion and personal reflection related to their work, the community they were working in and how they could continue to make a difference in their home communities.

### Support for Individual Chapters

Through the chapters' Foundation Councils, the Foundation provides support for local chapter programming such as chapter retreats, etiquette dinners and leadership training seminars on both the local campus and national level.

### Fraternity's Chapter Consultation Program

Fraternity Educational Leadership Consultants visit each chapter and colony every year. They live in the chapter house for several days, meet with chapter officers and offer leadership programming to all chapter members. They then make recommendations for improvement and provide support following the visit.

### Association & Advisor Visit Education Program

Trained staff and volunteers travel to chapters to assess and monitor the effectiveness of the chapter advisory team leadership. They work to connect alumni volunteers with local chapters and associations through volunteer service and assist in training and educating advisors and association board members on topics and issues relevant to chapters and undergraduate students.

## ACADEMIC SCHOLARSHIPS

One of the most visible acts of the FarmHouse Foundation is to offer brothers an opportunity to receive financial aid. Each year the Foundation offers scholarships that are open to all FarmHouse undergraduates. Last year, 12 undergraduate members were awarded \$14,975 in unrestricted scholarships from the Foundation. Other scholarships that the Foundation administers, totaling \$42,752, were awarded to members of specific chapters as designated by donors. The recipients of these scholarships were selected locally. In total, the Foundation awarded **\$57,727 to 77 individual members** last fiscal year. The recipients of the FarmHouse Foundation unrestricted scholarships are pictured below. For more information on these men, visit [www.FarmHouse.org/Foundation](http://www.FarmHouse.org/Foundation).

*"This leadership conference really showed me the importance of my role as a leader in my chapter. It made me realize truly how large FarmHouse is and how important it can be in an individual's life. I plan to spend my following college years helping to improve this great organization as a result."*

## Ruby Society

For Undergraduates

The Foundation recognizes the support provided by FarmHouse undergraduate members each year through the Foundation's exclusive undergraduate giving program, the Ruby Society. To become a member of the Ruby Society, undergraduates make a gift of \$10 or more to the Foundation. All donations to the Ruby Society support the leadership books and educational materials for the Regional

Leadership Conferences and Conclave. The Ruby Society also offers undergraduates

exclusive benefits including an invitation to a career networking reception at Conclave with and the "Lessons in Leadership" career networking calls held twice a year. Since its inception, undergraduate members of FarmHouse have donated over \$56,000 to the Foundation through this program. Last year, 933 undergraduates from 31 chapters gave a record-breaking \$11,090 to the Ruby Society.

## Lessons in Leadership

A career advice conference call with distinguished FarmHouse alumni.

Michael D Dykes  
(KY '74)

Shayne Woodard  
(TT '85)

The Foundation hosted two "Lessons in Leadership" calls during the 2014-15 FY. Michael Dykes (KY '74), Vice President of Government Affairs for Monsanto Company in Washington, D.C., discussed the importance of networking to get a job, find a mentor and make a career more successful. Shayne Woodard (TT '85), Founder & Owner of Waterloo Lobby & Advocacy, provided insight into how to lobby for yourself in school, when you begin looking for a job and throughout your career and life.

# NEW FOUNDATION DONORS

Welcome, new Foundation donors! The FarmHouse Foundation welcomed 440 new donors during FY 2014-15. Many of these new donors were undergraduate members of FarmHouse who joined the Foundation's Ruby Society. We thank all of our donors for their first contribution. As FarmHouse members, we are encouraged to strengthen each other through philanthropy, and these new donors are fine examples of this.

*"It is outstanding and helpful to have access to such a generous scholarship through the Foundation. This exchange to Germany will be my first time leaving the United States, and it is nice to know I have so much support."*

# YEUTTER SCHOLARSHIP HONORS FORMER U.S. SECRETARY OF AGRICULTURE

Clayton Yeutter (NE '49)

Several of Dr. Clayton Yeutter's (NE '49) friends and FarmHouse brothers, led by long-time friends Ben and Marsha Neff, decided it was long overdue to

honor Yeutter's worldwide contributions to agriculture and public service.

Knowing his long-time affiliation with FarmHouse International Fraternity and his support of higher education, it was determined that a scholarship fund in Clayton's name was most appropriate.

Led by the Neff's generosity, The Clayton K. Yeutter Scholarship Fund, honoring his service as United States Secretary of Agriculture, 1989 to 1991 was established.

The purpose of the endowed fund is to annually provide academic scholarships to recognize and reward outstanding student members of FarmHouse who are seeking degrees in agriculture and/or public affairs.

With over a half century of public service, it is difficult to recount all of Yeutter's esteemed activities.

A native Nebraskan, Clayton served in various leadership roles at the University of Nebraska and in state

government prior to serving four United States presidents as Assistant Secretary of Agriculture, U.S. Secretary of Agriculture, U.S. Trade Representative and U.S. Ambassador for Special Trade.

As a Master Builder, Yeutter's service has not been confined to the public sector, he played a key role in a number of private enterprises as well. He served seven years as president of the Chicago Mercantile Exchange, served on the board of directors of 22 for-profit corporations, including some of the nation's largest. He helped make a difference through his role as a member of the board of directors of numerous non-profit organizations in the United States and internationally.

Although Clayton has been awarded eight honorary doctorate degrees and numerous citations and plaques, his friends felt a scholarship fund for college students would encourage future leadership in agriculture and/or public affairs. A reflection of the life Dr. Yeutter continues to live.

In learning of the scholarship, Clayton said, "This scholarship means more to me than all the trophies and awards I have accumulated over a lifetime. It really hits home to what life, and friends, and colleagues are all about. They're worth more than all of the material things with which we have been blessed."

"It was during those four years at FarmHouse that I grew up," he added. "I discovered that I would have to earn everything I got, and that I was expected to toe the line of FarmHouse principles. None of my career experiences would ever have occurred had I not spent those four wonderful years at FarmHouse."

"We are grateful to those friends and FH brothers of Clayton's who have so generously given to create a scholarship in Clayton's name," said Allison Rickels, Foundation executive director.

"This fund will permanently honor Clayton's prominent and esteemed career in public service, the incredible impact he has made on countless individuals, communities and businesses across our country, and his lifelong involvement and pride in being a FarmHouse member. This annual scholarship will impact the education of numerous budding civic leaders to help them become the next generation of leaders of our country, like Clayton."

Since the creation of the scholarship in Clayton's name, additional FarmHouse brothers and colleagues have contributed in his honor. Additional gifts to this scholarship fund are continually welcomed and accepted. A list of donors will be kept and shared with Clayton from time to time.

The first scholarship from the Yeutter Scholarship Fund will be awarded to a deserving FarmHouse undergraduate

# “100 DAYS FOR \$100,000 BY 100 YEARS” CAMPAIGN HONORS MASTER BUILDER C.J. GAUGER (IA '37)

*Dorothy & C.J. Gauger (IA '37)*

When the C.J. and Dorothy Gauger Endowment was initially established by four of C.J.'s mentees, it was decided the best way to honor C.J. was to support the newest members of the Fraternity.

This was because, as C.J. told it, he thought he “wasn’t cut out for college and didn’t think he could afford being in a fraternity,” until he was introduced to FarmHouse.

As a Master Builder, C.J. was a life-long teacher, servant leader and mentor to thousands of young people. So, it was fitting for this fund to support the To Be and Become...Emerging Talent Retreat for new members across the Fraternity. To Be and Become is an award-winning outdoor experiential learning retreat designed as a leadership assessment and personal strengths development opportunity.

In anticipation of his centennial birthday in March 2014, the Foundation

assisted four Iowa State alumni, who had previously established an endowment fund to recognize C.J., with a plan to recognize him.

Together with the staff, they led a short-term, intensive fundraising campaign to honor C.J. and his many years of service to the Fraternity and young men across the nation. The campaign was launched on January 5, 2014, exactly 100 days prior to Founders’ Day on April 15.

Thanks to 115 FarmHouse brothers and friends, the “100 days for \$100,000 by 100 years” campaign was a tremendous success. Remarkably, in only 100 days, \$85,000 was raised to grow the endowment to \$100,000.

Thanks to the generosity of the donors, the Gauger Endowment Fund will provide permanent funding and support for the To Be and Become... Emerging Talent Retreat.

At C.J.’s FarmHouse 100<sup>th</sup> birthday party on March 2, 2014, and again at the Iowa State FH Founders’ Day Celebration on April 12, 2014, the news was shared with C.J. and those gathered for the special occasion.

In response to this news, C.J. said, “FarmHouse has opened many doors for me and I have tried to reciprocate by opening doors for brothers and others.

I am so humbled, but pleased that these gifts will continue to support FarmHouse and young people as they strive to improve and grow.”

C.J. was always a “builder of men” with his commitment to young people as a vocational agriculture educator, an extension agent, state 4-H leader and counsel to FarmHouse chapters and alumni members alike. His extensive involvement in FarmHouse was recognized by his peers by being named a Master Builder of Men in 1984.

This campaign not only honored C.J., but also enabled future generations of Farmhouse new members to experience this award-winning, once-in-a-lifetime Retreat for years to come.

The evening of Sunday, April 26, 2015, C.J., passed away peacefully with family by his side in Ames, Iowa.

He was 101 years old. Many FarmHouse men live long lives, but few remain as active and involved throughout their lives as C.J. — visiting the Iowa State Chapter each semester to meet the new members, as recently as last fall.

He eagerly volunteered to conduct chapter consultation visits and never left a room without greeting all those who wished to greet him. He, more so than many, emulated what it means to be a FarmHouse man.

His legacy of leadership and service was honored and is now memorialized with the formal establishment of the C.J. & Dorothy Gauger Endowment Fund with the Foundation. Those wishing to do so may make a memorial gift online or by mail to the C.J. & Dorothy Gauger Endowment Fund.

# HONOR ROLL BY CHAPTER

The FarmHouse Foundation gratefully acknowledges the generous support of our donors. Each donation is personally acknowledged and directed toward the ongoing programs and services of the Foundation. All donations received during fiscal year (FY) 2014-15 are acknowledged below. They are listed by chapter, in order of founding.

The Foundation would be honored to add your name to our growing list of those who annually make an investment in "Building Men." We are grateful for every gift, whatever the amount. Since the Foundation is a qualifying 501(c)3 organization, all donations are tax-deductible.

If you are interested in becoming a donor or if your name has been omitted or accompanied by incorrect information, contact the Foundation at (800) 722-1905. (*f* denotes deceased)

## 2014 STARS OF FARMHOUSE

As a way to recognize the FarmHouse stars in our lives, FarmHouse men and friends had the opportunity to purchase a star for \$10 to shine in memory or honor of their FH brothers, mentors, and role models on the Stars of FarmHouse wall during the 48th Biennial Conclave, July 23-27, 2014, in Charlotte, N.C.

A record-breaking 588 stars were purchased, totaling \$5,910. Visit the wall online to see a complete list of FarmHouse alumni and friends recognized with Stars.

## FRIENDS OF FARMHOUSE

*Every year FarmHouse parents, wives, widows, fraternity and sorority professionals, and other friends of the Fraternity support the FarmHouse Foundation. The Foundation is encouraged that many believe you don't need to be a member of FarmHouse to invest in and support our mission of Building the Leaders of Tomorrow. The Foundation is grateful to the Friends of FarmHouse who supported the educational and leadership programs of FarmHouse during FY 2014-15.*

# POWER OF 7 SEMINAR

“The Power of 7 Seminar was truly an inspiring experience. The opportunity to meet successful and prominent alumni from our Fraternity is unparalleled. From listening to words of wisdom to discussing topics pertaining to society today, the Power of 7 Seminar is an insightful weekend. I would encourage others to attend the Power of 7 Seminar to gain new perspective towards life and motivation,” said Holden Hutchinson (OH '13) about his experience at the 9th Annual Power of 7 Seminar, April 24-26, 2015, in Santa Rosa, Calif.

The Power of 7 Seminar, a first-class think tank on our Fraternity and the nation, gathered alumni, spouses and eight undergraduate leaders for a weekend of learning, brotherhood and fellowship.

The Seminar began Friday evening with a welcome reception, followed by dinner and “Your FarmHouse Story” presentation from the undergraduates. Roundtable discussions began Saturday morning, led by panels of Power of 7 donors and Trustees.

Topics included the globalization of agriculture, the fraternity experience today, production agriculture, experiences in active investing and the U.S. business climate.

Time was also spent enjoying beautiful

Sonoma County and a private vineyard tour to learn first-hand how wine is produced in northern California.

The Seminar concluded Sunday morning with advice, lessons and reflections from the undergraduates, alumni and spouses.

Reflecting on his Power of 7 experience, Second 7 Founder Rick Brock (PU '71) said, “This Seminar is stimulating in many ways. Sharing thoughts and experiences with alumni from around the country who have been very successful in their careers is a highlight of the Power of 7. Reflecting back on the role FarmHouse played in our lives and impacted our own careers and others, and then to share those experiences with students is a rewarding feeling.”

### Interested in attending in 2016?

Save the Date—the 10th Annual Power of 7 Seminar will be held April 22-24, 2016, at the Broadmoor Resort in Colorado Springs, Co.

Alumni who make an Annual Fund gift of \$7,000 or more during the 2015-16 fiscal year are invited to attend this impactful Seminar and have the opportunity to mentor one of FarmHouse’s top undergraduates during the weekend. Contact Allison Rickels at (800) 722-1905 or Allison@FarmHouse.org for details.

A very special thank you to the FY 2014-15 Second 7 Founders who helped make the weekend possible: Rick (PU '71) & Cathy Brock; Mike (IL '67) & Jan Fayhee; Jerry (KS '59) & Pam Gardner; Jim (TN '61) & Judi Herbert; Dick Kruse (KS '63); Jim Tobin (IA '76) & Gina Heagney; and Jim Wieland (ND '72). Also, thank you to Steve Davis (OK '77) and Doug Sims (IL '65) who generously made Annual Fund gifts in support of the Power of 7 Seminar, but were unable to attend.

The undergraduates who participated in the Seminar included Jacob Cuperus (SD '13), Austin Fichter (IA '12), Holden Hutchinson (OH '13), Brandon Hubbard (OK '13), Austin Krug (KS '13), Justin Siewert (MN '12), Daniel Suess (SIU '13) and Trevor Tune (MO '13).

# ANNUAL FUND DONORS

The Annual Fund recognizes alumni and friends of the Fraternity who provide annual unrestricted gifts to the FarmHouse Foundation, thus fueling much of the service and progress of both the Fraternity and the Foundation. New programs often begin with the support of unrestricted money and unrestricted giving is essential to the Foundation's operation and programs.

In order to honor and recognize donors who make unrestricted gifts, the Foundation Board of Trustees has established the Annual Fund program. The Foundation would be honored to add your name to our growing list of those who annually make an investment in the "Building of Men."

If you are interested in becoming a donor or if your name has been omitted or accompanied by incorrect information, contact the Foundation at (800) 722-1905. (*t denotes deceased*)

## Chairman's Club Donors

Members who invest in the Chairman's Club ensure we can invest in our growing, progressive and successful International Fraternity. The following individuals made a significant investment in the Annual Fund to join the Chairman's Club during fiscal year (FY) 2014-15.

## TRUSTEE NEWS

Last fiscal year, three alumni completed their terms as Trustees.

Mike Fayhee (IL '67) retired from the board after six years of service, at the April 2014 meeting. He is an attorney and partner with McDermott Will & Emery LLP in Chicago, Ill. During his tenure on the board, he was instrumental in developing the Foundation's Chapter Housing Loan Program and providing his pro-bono legal advice.

Jim Herbert (TN '61) also concluded six years of service, including a two-year term as Chairman of the Board and a two-year term as Chairman-Elect, at the August 2014 meeting. He is Founder and CEO of Neogen in Lansing, Mich.

Russ Roberson (AU '78) concluded a three-year term on the board at the November 2014 meeting. He is Vice

President of Quality and Regulatory Affairs at GE Healthcare. He lives in Kenosha, Wis.

In addition, Shayne Woodard (TT '85) and Bob Knief (IL '89) have both joined the Board this past year.

Woodard is Founder and Owner of Waterloo Lobby & Advocacy in Austin, Texas, and Knief is President of Bartlett Grain Company in Kansas City, Mo.

The Foundation Trustees generously share their time, talent and treasure to advance and support our mission. They make planning and policy decisions, are responsible for financing those decisions, monitor implementation and promote goodwill and support for the Foundation and the Fraternity. They may serve two, three-year terms.

## WHY I GIVE...

"I recall that soon after getting my first 'real' paycheck I started an annual gift going back to FarmHouse. I am not the largest giver but I am consistent with a gift each year. FarmHouse taught me so much—social skills, leadership, study habits that led to a better grade point and much more. I still regard some of those moral and ethical practices as part of the foundation that has helped me in my career as well as everyday living." —**Jim Thomsen (IA '48)**

"I like knowing my charitable contributions are going to places that put the money to productive use." —**Ron Vaske (SD '87)**

"I am grateful for all that FarmHouse stands for and for the opportunity to be a part of it as a donor and member." —**John Foltz (OH '55)**

"My wife and I felt that giving to FarmHouse is something that we want to do for the future.

FarmHouse was and is a large part of my life. I gained so much from the time I was in the house during college, and the friendships still impact our lives to this day."

—**David Ballard (MI '76)**

"Given the group involved, I joined the Foundation Board with high expectations. But very clearly, the professionalism with how this organization is run was truly impressive. There are incredibly talented people involved. That should be comforting to the people that are giving of their resources to the Fraternity. Those resources are in good hands."

—**Bob Knief (IL '89)**

# FINANCIAL STATEMENTS

Dear FarmHouse Foundation  
Board of Trustees:

I have audited the accompanying Statement of Financial Position of The FarmHouse Foundation as of Feb. 28, 2015, and the related Statement of Activities, Changes in Net Assets and Cash Flows for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The FarmHouse Foundation as of Feb. 28, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

Bruce Culley  
Certified Public Accountant

# How to Plant Seeds with the FarmHouse Foundation

*Giving Opportunities That Make a Difference*

## Your Support

The Foundation is grateful for the hundreds of FarmHouse members and friends who contribute each year. It is their support that makes all FarmHouse educational and leadership programs possible. The following are ways to support the FarmHouse Foundation:

## Annual Support

These gifts typically arrive in the form of checks, credit card gifts or gifts of stock. Most donors do not restrict the use of their annual gifts. This allows gifts to be allocated to the areas of most critical need.

## Online Donations

The Foundation accepts donations online through PayPal, which accepts Visa, MasterCard, American Express, Discover and electronic checks. To make a gift online, please visit us at [www.FarmHouse.org/Foundation](http://www.FarmHouse.org/Foundation).

## Electronic Transfer Gift Program

This program allows you to have money withdrawn directly from your checking or saving account without having to write monthly checks or make one substantial gift. Gifts can be withdrawn either monthly or quarterly, on either the 1st or 15th of the month.

## Gifts of Grain

The Foundation can accept gifts of grain. When making such a gift you will receive a tax deduction, or if you don't itemize, it will reduce the income you have to pay taxes on. For more information about making a gift of grain, please contact the Foundation.

## Memorial and Honorary Gifts

A memorial or honorary gift is a thoughtful way to recognize a brother's life and accomplishments. Any amount can be directed toward this type of recognition. Memorial gifts are acknowledged to the family while honorary gifts are acknowledged to the individual.

## Stock Gifts

Appreciated Stocks and mutual funds can be transferred electronically from your brokerage account or can be sent through the mail if held in certificate form.

## Matching Gifts

Your employer may have a matching gift program that can multiply your support. Please ask your personnel office for the necessary forms.

## Endowment & Named Funds

Permanently endowed funds may be established and named in accordance with a donor's wishes through gifts of \$10,000 or more. Endowments may also be created with smaller gifts that the donor pledges to increase, over five years,

to the \$10,000 level. Endowment funds provide a constant source of income for the Foundation and are spent with careful consideration of the donor's intentions. Choosing to endow and name a Fraternity program or scholarship is a terrific way to Permanently establish and recognize your legacy in FarmHouse.

## Planned Gifts

Long-range estate and financial planning can enable you to make a substantial contribution to a program or project of your choice in a manner consistent with your overall charitable and personal commitments. Some examples of planned gifts include bequests, insurance policies, charitable remainder trusts and charitable gift annuities. The Foundation recognizes alumni who have made such gifts as members of the FarmHouse Futures Fund and now as part of the "100 Legacies In The Making."

## Restricted Gifts

Some alumni choose to restrict their gifts to specific programs, scholarships, a foundation council or building fund. For example, one alumnus may ask that his gift be used solely for scholarships while another alumnus may direct his gift to the Leadership Institute. Both of these gifts are acceptable and welcomed. The Foundation does retain the right, however, to decline any gift that does not meet the approved purposes of the Foundation or would be overly restrictive.
