CHAIRMAN**

An Incredible VOTE OF CONFIDENCE

Our members and friends came through again this year in a big way—our second best year of gifts and pledges—providing over \$4.5 million to support the

leadership, educational and housing needs of our Fraternity.

It is an incredible vote of confidence in what is underway now and what is expected in the future. Here are some of the last fiscal year's highlights:

- Our Foundation turned 50 years old on January 7, 2016. We have started a year-long celebration with a number of activities underway and planned to mark this important milestone.
- Members and friends contributed cash and pledges totaling \$4.57 million—our second best year ever.
- **Live. Learn. Lead. —The Campaign for FarmHouse** pledges and contributions exceeded our \$20 million goal with one year remaining in the Campaign. We're excited to share where we are at Conclave in August.
- The Foundation distributed a record \$4.16 million to the International Fraternity, chapters, associations and members.
- Our Foundation was able to provide \$200,279 in leadership program grants to the International Fraternity including funding for a new Volunteer Leadership Summit.
- Fundraising cost for each \$1.00 raised was only 6.8 cents.
- The Chapter Housing Loan Program grew in the past year to include \$2.3 million in new loans to the South Dakota State FarmHouse Association, Iowa State FarmHouse

Association and North Dakota FarmHouse Association. This program is designed to invest funds from our fixed portfolio to help provide loans to support building or remodeling projects at our chapters. Thanks to our Chapter Housing Loan Program Committee for their leadership in this important endeavor.

- Individual giving by members and friends is the backbone of our Foundation efforts.
 - A record 2,589 alumni, parents, undergraduates and friends made a gift.
 - 96 members gave \$700 or more to the Annual Fund and became members of the FY 2015-16 Chairman's Club.
 - 10 alumni contributed \$7,000 or more and sponsored an undergraduate's participation in the 10th Annual Power of 7 Seminar.
 - More than 12 percent of our members made a gift, a new record.

Thanks also to our Foundation Trustees who each contributed time, talent and money to support our efforts. They are a very dedicated and passionate group. You are well served.

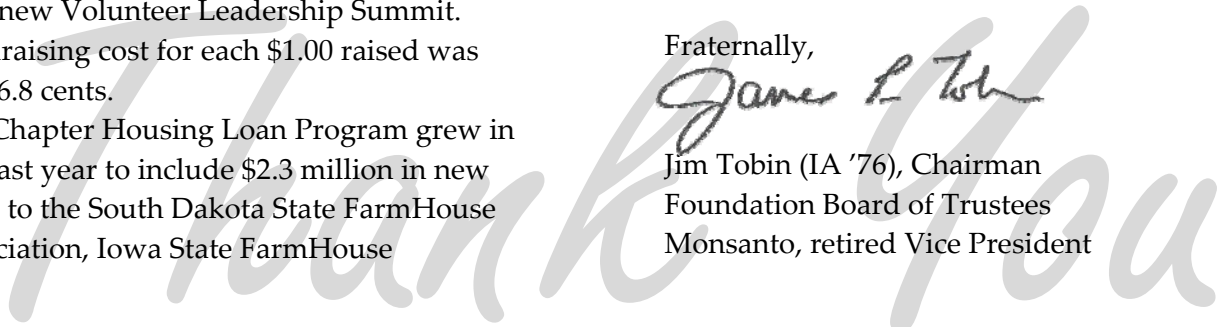

We are blessed to have a terrific staff, led by Allison Rickels, who work as a team to make all of this possible. Special thanks to each of them—Allison, Bob Off, Andrea Ward, Michaela Norton and Jo Berryman.

Finally and most importantly, thanks to each of you for your support and investment in the future of FarmHouse and all our outstanding members.

We very much appreciate your vote of confidence.

Fraternally,

Jim Tobin (IA '76), Chairman
Foundation Board of Trustees
Monsanto, retired Vice President

Thanks to a record number of alumni, undergraduates, parents and friends who made a gift during our 2015-16 fiscal year, the Foundation was able to put your gifts directly to work—providing scholarships, leadership training, computers, educational programming and updated chapter housing to the largest FarmHouse undergraduate membership in our history.

Each page of this report shares a story of impact—from the change brought about by a FarmHouse experience to how the right gift at the right time made a difference in a young life.

We are grateful to you for making each story possible by investing in the FarmHouse Foundation.

LANCE'S *Gift*

One young man's life of service inspires his family to support the Troy FarmHouse chapter in his memory.

LANCE R. MCLENDON (TR '95)

"Lance was such a good kid. He had a heart for ministry and would often use his vacation time to help with Vacation Bible

School at his church," reflects Joan McLendon, Lance's mother.

Lance McLendon (TR '95) was a charter member of the Troy University FarmHouse chapter.

"He loved FarmHouse and the fact that he could be a part of something wholesome and free from peer pressure," Joan remembers.

He was also involved with Campus Outreach and in the summer would often participate in the Beach Project, a Christian outreach program.

One summer, when his family went to visit for a family weekend, they noticed that Lance didn't look well and had lost weight.

"I thought maybe he just wasn't eating well there, but when he returned home, he didn't get better," Joan said.

They took him to the doctor, and shortly thereafter, Lance was diagnosed with Crohn's Disease, a chronic inflammatory condition of the gastrointestinal tract.

College was a struggle for Lance, as he would become so ill that he would have to drop out for a semester at a time. In one 18-month period, he underwent three major surgeries.

"Lance's FarmHouse brothers were always great about keeping in touch with him when he wasn't at school," Joan said.

Lance persevered through the pain, surgeries and set-backs to graduate from Troy University with a degree in accounting. He had always wanted to go into children's ministry, but due to his illness, he could not get insurance on his own.

His parents were able to keep him on their insurance if he worked with their family business, so he received his general securities license and began a career in the financial services industry.

On Jan. 29, 2001, nine years after he was diagnosed, Lance passed away from Crohn's disease at just 29 years old.

"After Lance died, I found myself asking 'why—he was such a good kid?' A family member reminded me that God needs good ones too. This is something that has stuck with me," Joan remembers.

When he died, his father, Mac, was named as the beneficiary of his life insurance policy. Not wanting to profit from the loss of Lance, the McLendons established the Lance Robert McLendon Foundation, and have used this money to help as many others as they can.

"We feel fortunate that we had Lance for 29 years. We wanted to make sure his legacy for helping young people lived on," Joan said.

They felt one of the ways they could do this was to support Troy University and the Troy FarmHouse chapter. They built a new classroom and established a scholarship in Lance's memory at Troy University.

Through the scholarship selection process, they had met and awarded scholarships to several FH members over the years. One year, after a scholarship brunch honoring past recipients, they were invited back to the chapter house for a tour.

Reflecting on that day, Joan said, "We had one of our grandsons with us, and they took him out and played basketball with him. To me, you take care of my grandchildren and you've won me over!"

After that day, they started looking at how they could help the Troy chapter the same way the chapter had helped Lance.

"We contacted Allison Rickels and asked what we could do for Troy. She has worked with us to help as many members of Troy as possible. We try to find ways to support every member of the chapter and make the day-to-day things easier for them," Joan said.

Over the past four years, the McLendon's have generously given over \$33,000 to support the Troy chapter's educational and leadership needs, and it is their hope to continue to do so.

She added, "A month ago, three members came to dinner at our house to thank us for our support and present us with a special plaque. We were touched. As we were sitting on the porch with them, I knew that these were the men I wanted to be role models for my grandsons, Landon and Garrett. I want them to be aware of the values of these outstanding young men."

Lance's memory lives on in his family and, thanks to the generosity of the McLendon family, at the Troy FarmHouse chapter too.

Each time a young man receives a scholarship or attends a leadership conference, Lance's gift—his gift for serving young people—touches another life.

Inaugural VOLUNTEER LEADERSHIP SUMMIT

Behind every FarmHouse chapter is a team of great advisors and association board leaders. These volunteers provide essential leadership, guidance and support to a local chapter, ensuring the chapter's strong health and continued membership growth.

This can be difficult when the landscape of today's college campus and the issues facing undergraduates change almost daily. Therefore it is essential that these volunteer leaders have the support and tools necessary to address these issues and ensure a positive fraternity experience.

This was the inspiration behind the inaugural Volunteer Leadership Summit (VLS), held Aug. 21-23, 2015, at the National 4-H Conference Center outside of Washington, D.C.

During the weekend, attendees received 14 hours of high-quality educational programming across 21 unique sessions.

Industry experts addressed vital issues facing the fraternal movement and the curriculum equipped volunteers with the skills and best practices to support the young men in their chapters through these issues.

"VLS was the most informative FH conference that I have ever attended. Although an advisor twenty years ago and again today, I had little knowledge how much had changed with students and on campus that now needed to be addressed to be an effective advisor," Frank Bezdicek (MN '67), Minnesota chapter advisor, reflected.

Attendees also reviewed relevant FarmHouse policies, by-laws and standards and participated in in-depth discussions about the topics covered.

"Sometimes tough subjects can come up, and it was refreshing to discover there are others tackling the same issues and there is a support structure in place to provide assistance and resources," Thomas Marten (SIU '11), FarmHouse Regional Director added.

The need for such a program was undeniable to Jim (TN '61) and Judi Herbert and Jim Tobin (IA '76) and Gina Heagney, who together provided a \$20,000 matching gift challenge to raise support for the first VLS.

This matching gift was in addition to the Herberts' endowment fund, which provides funding for volunteer leadership training annually (*read more on page 7*).

Thanks to their challenge gifts and to other donors dedicated to ensuring the sustainability of chapters through strong volunteer leadership, the Foundation fully funded the Fraternity's grant request for the inaugural VLS and have additional money set aside for future Volunteer Leadership Summits.

This was just the beginning for VLS. The Fraternity is committed to continuing the program annually so that volunteers receive the latest training and the support and encouragement they need to ensure their success.

"Professionally, over the last 24 years, I rarely have

seen a fraternity make as much of an investment in their alumni training as FarmHouse did with this program," said Patrick Alderdice, CEO of Pennington & Company and VLS presenter.

The success of the program was also evident in the volunteers who

left not only prepared for their role, but revitalized for service.

"The Summit exceeded my expectations. I left VLS re-energized and excited about the future of FarmHouse," said Gabriel Eckert (KS '95), FarmHouse International Executive Board member.

Bezdicek added, "Whether you've been an advisor for a day or decade, I highly recommend the FarmHouse Volunteer Leadership Summit."

FarmHouse volunteers from 19 chapters gather outside the National 4-H Conference Center in Chevy Chase, Md., for the inaugural VLS.

A Passion FOR Volunteering

Wherever life took Jim (TN '61) and Judi Herbert—through college, career changes, growing their family and founding Neogen Corporation—volunteering has always been a priority.

It began in college where they met while serving as president of their respective chapters—Jim at FarmHouse and Judi at Sigma Kappa. It has continued through the years to include service to their community and fraternal organizations.

Living near several college campuses over the years, they were able to volunteer at the local level with undergraduates.

“In our experience over the years, we have seen how important volunteers are to the health of chapters. They help keep members focused and out of trouble as well as provide advice and connections for careers after graduation,” Jim said.

Their volunteer experience doesn't end there—they have both served their organizations at the national level as well.

Jim served as a Foundation Trustee from 2008-14, including a term as Chairman. Judi serves on national committees and helped raise funds to build a new Sigma Kappa chapter house on the University of Tennessee-Knoxville campus.

It was Jim's role with the Foundation and his passion for volunteering that began their journey to endowing support for volunteer leadership training.

He observed that growing FarmHouse was similar to growing a company in that it's cheaper to keep an existing customer (chapter) than to find a new one.

“I started to look at all the chapters we had lost or had to re-start over the years and wondered where we'd be if all of them had 50 plus members today. And that led me to realize that, across the board, the key difference between a successful chapter and one that fails

is strong volunteer leadership,” he reflected.

He spent time thinking about his own experiences with volunteer leaders and how he could improve the situation.

“The most common response I hear when asking an alumnus why they haven't been involved is, ‘nobody asked me.’”

He had first-hand experience with this when he was chapter president.

“I was encouraged to call James Skidmore (IL '21), a local alumnus. That call started a relationship with someone who had career opportunities for members and provided financial support and mentorship to our chapter. It never would have happened if I hadn't called him. While he had the desire to be involved, he said he hadn't wanted to intrude. He needed an invitation to get involved,” Jim said.

Another hindrance to raising a hand is often feeling unqualified to

“If we're building for the future of FarmHouse, we have to educate and support our alumni volunteers.”
—Jim Herbert (TN '61)

provide the necessary support.

“The Fraternity is doing such a great job of creating new programs for our undergraduates. We should be doing the same for our volunteer leaders. If we're building for the future of FarmHouse, we have to educate and support our alumni volunteers,” Jim added.

Volunteers at heart, Jim and Judi stepped forward to make this possible by pledging over \$500,000 to establish the **Herbert Volunteer Leadership Endowment Fund**.

The purpose of the fund is to support the development, implementation and facilitation of leadership programs to prepare, educate and recognize the importance of alumni involvement

JIM (TN '61) & JUDI HERBERT

at the local level.

At Conclave 2014, the Fraternity launched the Volunteer Leadership Summit (VLS) with a day of educational programming specifically for alumni volunteers.

Thanks to the Herberts, the Fraternity was able to expand VLS into a three-day program held at the National 4-H Conference Center in Washington, D.C., Aug. 21-23, 2015.

They went a step further and committed an additional matching gift with Jim Tobin (IA '76) and Gina Heagney—above and beyond their initial pledge—to raise additional support for VLS in 2015.

Jim said, “Wouldn't it be great if we combined with others to take it one step further?”

And that is exactly what he dreams of doing.

“I would love to see a staff position dedicated to working with volunteer leaders one day. They could determine which chapters need help and work to recruit volunteers to help,” he said.

Until then, he will continue to volunteer and recruit others to continue the work.

Making a greater
IMPACT

Thanks to the support of our donors, the Foundation granted more than ever before to the International Fraternity, chapters, associations and individuals during the 2015-16 fiscal year. We understand each gift, no matter the size, is given careful thought and consideration, so we are prudent with the donations received. Last fiscal year, an investment of \$0.068 in total fundraising expenses resulted in a \$1.00 return.

A total of 222 grants for \$4.16 million were provided in seven areas: leadership training, educational portions of chapter housing, scholarships, computer labs and affiliated technology, re-contribution to chapters, program services and Fraternity support. Read on to learn more.

RE-CONTRIBUTION TO CHAPTERS

\$4,957 was distributed to the chapters' foundation councils for their specific educational uses and needs through the Annual Fund's re-contribution program last fiscal year.

PROGRAM SERVICES

\$71,844 for the Foundation staff to administer the educational grants in support of the International Fraternity, chapters and associations.

FRATERNITY SUPPORT

\$44,328 was paid to the International Fraternity to support operations of the International Office, membership database, online communications and *Pearls & Rubies*.

“ Thank you for allowing me to experience this incredible opportunity. During the Leadership Institute, myself and fellow officers from across the nation engaged in hands-on activities and programming that will undoubtedly improve our chapters and FarmHouse as a whole. ”

LEADERSHIP TRAINING

& Educational Programs

Support of the following programs last year not only helped prepare more than 600 young men to lead in their chapters and on campus, but equipped their volunteer leaders with the tools to help them succeed.

FARMHOUSE LEADERSHIP INSTITUTE

Held each January in Kansas City, Mo., the FarmHouse Leadership Institute gathers top undergraduate FH leaders from across North America for four intense days of leadership training. This year, 130 undergraduate officers from 33 chapters and colonies gathered Jan. 7-11, 2016, for 29.5 hours of educational training focused on "Choosing Greatness." *Read more on pages 38-39.*

TO BE AND BECOME...EMERGING TALENT RETREAT

Each chapter is invited to send a member who has completed his first year of college to the To Be & Become...Emerging Talent Retreat. Last fiscal year, 28 men attended the conference held May 20-22, 2015, at Camp Heartland outside of Kansas City, Mo. The curriculum included 21 hours of programming focused on leadership development through the *StrengthsQuest* program, outdoor adventure team building activities and a high ropes course.

FARMHOUSE GROWS

This conference gathers undergraduate leaders passionate about recruitment from each chapter for a weekend focused on membership growth and retention. Jan. 22-24, 2016, 83 leaders from 28 chapters attended FarmHouse GROWS in Kansas City where they gained 20.5 hours of high-quality educational programming, conducted in partnership with Launchpoint Solutions.

POWER OF 7 SEMINAR

This award-winning Seminar is a first-class think-tank on the nation and FarmHouse. The program is an informal forum, conducted under the leadership of the Foundation Trustees, on the international business climate and economy. For the 10th Anniversary year, the Seminar was held at the Broadmoor in Colorado Springs, Colo., April 22-24, 2016. Ten Second 7 Alumni (who each donated \$7,000 or more to the Annual Fund) sponsored 10 undergraduates to attend. *Read more on page 37.*

THE JOURNEY: FARMHOUSE

May 31-June 6, 2015, 10 FarmHouse men from nine chapters traveled to Honduras to offer "service to their fellowmen and to the world." The Journey curriculum is centered upon the FarmHouse Builder of Men Creed, which fit in with the themes of the week, including construction of a house. Dedicated time was spent in group discussion and personal reflection related to the work, community and how they could continue to make a difference in their home communities.

FRATERNITY'S CHAPTER CONSULTATION PROGRAM

Fraternity Educational Leadership Consultants (ELCs) visit each chapter and colony every year. They live in the chapter house for several days, meet with chapter officers and offer leadership programming to all chapter members. After the visit, they provide support and make recommendations for improvement.

INAUGURAL VOLUNTEER LEADERSHIP SUMMIT (VLS)

Without capable local volunteers, a chapter can struggle with not only day-to-day operations, but with continuity and consistency for long-term sustainability on its respective campus. It was with this in mind that VLS was created as a way to support and equip FarmHouse's most vital local volunteer leaders with the tools required to ensure a positive fraternity experience. VLS gathered 54 volunteers at the National 4-H Conference Center in Washington, D.C., Aug. 21-23, 2015. *Read more on page 6.*

SUPPORT FOR INDIVIDUAL CHAPTERS

Through the chapters' Foundation Councils, the Foundation provides support for local chapter programming such as chapter retreats, etiquette dinners, community and professional speakers and leadership training seminars on both the local campus and national level.

ASSOCIATION & ADVISOR VISIT EDUCATION PROGRAM

Trained staff and five regional directors travel to chapters to assess and monitor the effectiveness of the chapter advisory team leadership. They connect alumni volunteers with local chapters and associations and assist in training and educating advisors and association board members on topics and issues relevant to chapters and undergraduate students.

Educational Portions of
CHAPTER HOUSING

In order to remain competitive and successful on today's college campus, undergraduates require a safe place to live. Many FarmHouse Associations have exciting chapter housing campaigns underway to provide just that. Below is a snapshot of the impact made in delivering much-needed housing renovations and new construction last fiscal year. Currently, 22 chapters have building funds with the Foundation and 15 have active campaigns in progress. Last fiscal year an additional \$2.4 million was raised, and will be saved, for future grants for the educational portion of chapter housing projects. Upgrading computers and technology is another important way to help chapters stay current—\$15,909 was granted to six chapters last fiscal year for this purpose.

PURDUE COMPLETES NEW CHAPTER HOUSE IN EIGHT MONTHS

Demolition began in May 2015 and the new 26,000-square-foot house was completed in time for members to move in on Jan. 11, 2016. Over \$4.6 million has been raised for the \$6 million project.

Members moved into the new 15,400-square-foot house in Jan. 2016. On April 16, 2016, SDSU celebrated their 50th Anniversary and dedicated the new house. More than \$985,000 has been raised for the \$2 million project.

MINNESOTA BREAKS GROUND

On April 23, 2016, the chapter celebrated their 85th Anniversary and broke ground on a new 18,000-square-foot chapter house. Construction begins this summer. Over 90% of their \$3 million goal has been raised.

FOUNDATION AWARDS FIRST CHAPTER HOUSING LOANS

“The Chapter Housing Loan Program (CHLP) was an innovative idea we developed during the silent phase of our \$20 million *Live. Learn. Lead.* — *The Campaign for FarmHouse*,” said Ryan Downs (NE '88), past Foundation Chairman.

“The primary goal for creating the loan program was to address the most profound problem the Fraternity faces (housing), and this did that, while improving returns on the fixed income portion of our investment portfolio. The loan program also had the added benefit of being attractive to potential donors by allowing the donor’s gift to work in perpetuity. The loan gets paid back, it can be loaned again and that cycle can happen an unlimited number of times,” Downs added.

In 2012, the FarmHouse Foundation established the Chapter Housing Loan Program to offer mortgage loans, of \$50,000 up to a maximum of \$500,000, to associations for the purchase of an existing home, new construction, repair/remodeling or refinancing for their respective chapter house.

By having access to the Foundation’s loan program to supplement grants, associations have greater flexibility to accomplish their local housing campaigns and provide safer and improved housing.

The minimum term of a mortgage loan is one year with a maximum term of 10 years. The interest rate is 50 basis points over the 15-year fixed mortgage rate quoted by the *Wall Street Journal* or a minimum of 4.5 percent whichever is greater. The loan may be amortized up to a 25-year period with a balloon payment due at the end of the term.

A small committee of alumni with expertise in banking, financing and real estate comprise the CHLP Review Committee.

Since its inception, the Foundation Trustees and CHLP Review Committee have vetted five loans, approved four and in 2015 provided the first three loans.

Currently, three FH Associations, Iowa State, North Dakota State and South Dakota State, have loans totaling \$2.3 million.

In addition, the Foundation anticipates 5-7 more loan requests in the next 2-3 years from associations.

The Trustees have chosen to invest in mortgage loans for three reasons:

- To assist FH chapters and their respective local associations (the owners of the chapter houses) in building, renovating and/or maintaining safe, affordable chapter houses. Often associations are in need of financing and cannot secure an adequate loan without a personal guarantee or have to do so at a much higher interest rate;
- To offer additional opportunities for donors to support housing with fully deductible charitable gifts that are above and beyond the amount normally allowed for the educational portion of the chapter house; and,
- To make a reasonable return and to further diversify the Foundation’s fixed income portfolio, by earning a 4.5% rate of return, which is the minimum interest rate for the loans.

Donors can contribute to established or new endowment funds to help provide funding for the loan program.

As a spin-off of the CHLP, in 2015, the Trustees approved a policy for associations to borrow against the cash available in their building fund on a short-term basis as needed.

Ryan concluded, “The CHLP has accomplished our initial goal and already made a tremendous impact on chapter housing. We know it will do so for years to come.”

What is a Building Fund?

FarmHouse associations may establish a Building Fund with the FarmHouse Foundation to raise funds for the educational portion of building, renovating, repairing or maintaining their local FarmHouse chapter house.

Currently, the Foundation administers 22 building funds for associations.

A Building Fund gives donors the opportunity to support the educational portion of chapter housing and receive a tax deduction for their gift.

Building Funds are assessed a one percent (1%) receipting fee when the gift is received.

The Foundation can make grants to the respective chapter’s association for the space and facilities in the chapter house that are used exclusively for educational purposes. Typically, educational space percentage is between 30-45% of the chapter house.

The commonly accepted and preferred method is to have a licensed architect or legal counsel calculate the percentage of the house’s square footage that is educational and certify this percentage in writing to the FarmHouse Foundation.

Building Fund grants can be used for:

- dedicated study, library, computer and instructional areas;
- computers and related technology;
- Desks, study tables and chairs;
- computer networking and internet wiring for the entire house;
- fire alarms, smoke detectors and sprinkler systems for dedicated educational areas;
- and, annual operating expenses (insurance, utilities, taxes, etc.) attributable to educational areas.

Celebrating 50 YEARS

of Building the Leaders of Tomorrow

Creation of the FarmHouse Foundation

Fifty years ago on Jan. 7, 1966, the FarmHouse Foundation received official recognition as a 501(c)3 organization from the IRS.

This marked the completion of a process set in motion in 1962 to create an organization that would use the funds entrusted to it to “foster high standards of scholarship, character, leadership and cultural development among all the members of FarmHouse Fraternity.”

The National Executive Board of the Fraternity provided the Trustees of the Foundation with a fund of \$2,000 to begin operations.

Reflecting on the creation of the Foundation, Darl Snyder (IA '42), first full-time Executive Director of the Fraternity and Secretary of the Foundation said, “The successes being achieved by the Foundation speak eloquently to its purpose(s) and reason(s) for its establishment. The Foundation has experienced considerable development since its birth in the then national office of FH in our basement in the early 60’s.”

He added, “It was a good idea then and continues to be a good idea.”

Growth of the Foundation

Since the Foundation’s creation, over 11,000 alumni, parents and friends have invested, the Foundation’s assets have grown to \$17 million and hundreds of young men have been impacted by the grants and scholarships awarded each year.

Jim Tobin (IA '76), Foundation Chairman, said, “We are fortunate to have members who have been so generous with their time, talent and treasure, allowing our Foundation to grow in capacity and capability. We thank our generous donors and leaders for helping to build the Foundation that we have today.”

The Foundation Today

The first major project of the FarmHouse Foundation was to establish a scholarship program. During the 1963-64 academic year—the Foundation awarded five \$100 scholarships. *Last fiscal year, \$86,538 was awarded to 103 individual members for scholarships.*

During the 60’s and the 70’s, the Foundation made grants to more than a dozen leadership conferences, library acquisitions and a chapter counseling program.

The First “Educational Program Grant” to the Fraternity Board was made in 1978 for \$5,000, to support an assortment of activities with educational purposes.

Last fiscal year, 222 grants were awarded for educational purposes. In particular, \$200,279 was granted for leadership training programs.

By the 80’s and 90’s, the Trustees and staff administered 38 endowment funds and more than 20 restricted or designated gift funds to support scholarships and other educational activities for 28 chapters.

Today, the Foundation administers 153 endowment funds in addition to 67 restricted or designated gift funds. Each year over \$600,000 is granted to the Fraternity and our 33 chapters for their specific educational uses and needs.

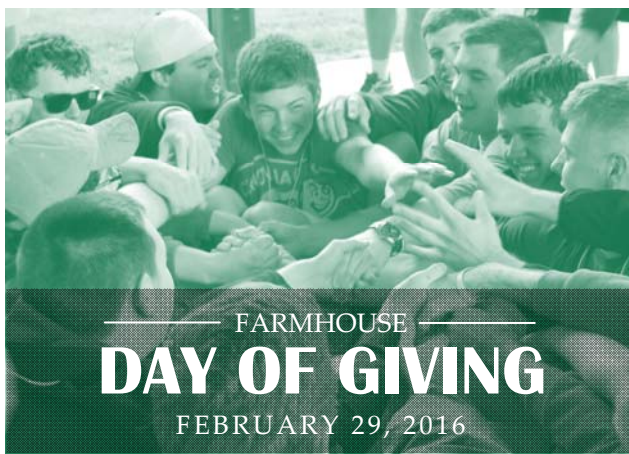

Future of the Foundation

As we reflect on the past 50 years, we look to the next 50 with the completion of the Foundation’s most ambitious

fundraising initiative, the \$20 million *Live. Learn. Lead.*—*The Campaign for FarmHouse* on Feb. 28, 2017.

What started as a \$2,000 investment by the Fraternity’s Executive Board 50 years ago has transpired into a remarkable philanthropic organization.

Thank you for ensuring our past and future success with the power of your philanthropy.

To further celebrate 50 years, we hosted the first-ever FarmHouse Day of Giving on Feb. 29, 2016, the last day of our fiscal year. We invited alumni, parents and friends to use their extra leap day to make an impact on young FarmHouse men.

How to Make Your Gift

Cash and other gifts of current assets such as stock can be spread over five years. Appropriately documented planned gifts such as bequests, insurance policies, IRA's, charitable remainder trusts and gift annuities can be a part of the Campaign. In fact, several donors have pledged a combination of current and estate gifts.

You may designate your gift to a variety of programs, including to directly benefit your own chapter.

The most effective gifts are unrestricted for use where the needs are the greatest. Gifts to either the Annual Fund or Endowment enable the Foundation to fund worthy programs reflective of the Fraternity's priorities and goals and respond to unanticipated needs and future educational projects.

Regardless of the amount and fund designation, all gifts and pledges given to the FarmHouse Foundation are recognized as Campaign donations and help ensure a thriving future for FarmHouse.

If you have questions regarding the Campaign please contact Allison Rickels, CFRE, Executive Director, The FarmHouse Foundation, 7306 NW Tiffany Springs Pkwy, Suite 310, Kansas City, MO 64153; 800-722-1905; or Allison@FarmHouse.org.

LIFE INSURANCE *As A "100 Legacies in the Making" Gift*

by Bob Off (CO '64), Executive Director Emeritus

JEREMY SETTLES (NM '94) & HIS FAMILY

The gift of a life insurance policy, which names The FarmHouse Foundation as both owner and beneficiary, is an often overlooked way to make a significant and impactful gift to the Foundation for the Building of Men.

As part of their gift to *Live. Learn. Lead.* – *The Campaign for FarmHouse*, Foundation Chairman-Elect Jeremy Settles (NM '94) and his wife, Cynthia, made a very generous gift using just such a planned gift.

Jeremy is co-founder/co-owner of OroSolutions, a boutique financial technology firm that offers a unique service to large corporations who have complex financial assets across the U.S. and around the world. His company gathers, reconciles and reports on these assets, in essence becoming the hub for all this financial data.

Jeremy enrolled at New Mexico State University in Las Cruces, N.M., in 1993 and majored in agricultural economics with the intent of taking over his family's mega dairy operation in southern New Mexico. However, he was drawn to technology when he used it to create his first software program to track the dairy's multi-million dollar feed inventory.

That experience, and following

Cynthia to Austin, Texas, for her residency in pediatrics, lead him to co-found a technology company.

He was recruited to FarmHouse membership in the New Mexico State Chapter by John DeRuyter (NM '92), the son of his father's partner in the dairy business. John made it clear in no uncertain terms that Jeremy would join FarmHouse. Jeremy is grateful that he followed John's advice.

In late March, I visited with Jeremy about his experience as a student member of the Fraternity, and the impact that it had on his career, his volunteerism and family.

Jeremy: I learned in FarmHouse to be a team player. To work with different personalities to achieve consensus. To adapt to being the leader in one situation and in another, to be a member of the team, and to be okay with it. It's an outcome I've since found to be consistent across our chapters.

Bob: Why do you continue to volunteer and take a leadership role for FarmHouse?

Jeremy: It's rooted in my chapter experience. It's an opportunity to give back, and to use my skills and talents to encourage creativity and efficiencies.

Bob: Why did you and Cynthia decide to make a gift of life insurance to the Foundation?

Jeremy: It's not our last gift to the Foundation. We're young. It was a way to maximize the dollars and the long term impact. It's an efficient and transparent way to make a gift.

Bob: What use do you want your gift to be put to when it comes to fruition?

Jeremy: To help fund the operation of the Foundation, and enable the Staff to be even more

creative and efficient in encouraging alumni to support the Fraternity's programs.

Bob: What advice would you give others regarding a gift of life insurance?

Jeremy: It was enormously easy. Our insurance agent has had experience with this type of gift, and you and Allison Rickels were supportive and understood the mechanics as well.

Bob: If you could use only one word to describe your experience as a FarmHouse member, what would it be?

Jeremy: Joy. It's a joy to serve the Fraternity and Foundation; to have the relationships and motivation the Fraternity provides.

Bob: And it's a joy to have the opportunity to serve and work with you in helping other alumni understand the need and how they can give back.

The Settles family gift is included in the Foundation's **100 Legacies in the Making Campaign**, which is a subset of *Live. Learn. Lead.* – *The Campaign For FarmHouse*.

Our goal is for 100 alumni to step up and make provision for a gift of life insurance or other planned gift of \$10,000 or more, which the donor has not previously made known to the Foundation Trustees.

As of Feb. 29, 2016, 58 alumni have pledged \$3.95 million to this effort. We would be pleased to add your name to our growing list!

Scholarship Fund HONORS DEVOTED FH COUPLE

Members of the Ohio State chapter honor the unwavering commitment of Bob (OH '50) and Joan McCoy by creating a new scholarship fund.

"Philanthropy, mentorship and unparalleled support of family and young people cannot adequately characterize Bob and Joan's efforts through the years," said Patrick Nolan (OH '04), Ohio State Foundation Council chair.

Bob McCoy (OH '50) joined the Townsend Chapter of Alpha Zeta Fraternity in 1950 and graduated from the Ohio State University in 1953 with a bachelor's degree in agriculture.

He had a successful 37-career with Proctor and Gamble after returning from service in the U.S. Air Force in South Korea.

Bob served on many boards of the Fraternity and he and Joan were instrumental in the rehabilitation of the Ohio State chapter house in the mid-1990's.

They contributed sweat equity as well as financial support to ensure the chapter house was clean, comfortable and safe for members.

Countless members of the Ohio State chapter were beneficiaries of Bob and Joan's strong sense of service and loyalty.

Bob passed away in June 2015 and Joan in January 2016.

"We wanted to honor this

JOAN & BOB (OH '50) MCCOY

extraordinary couple and their tireless volunteerism to the Ohio State chapter by creating a scholarship fund in their memory," Nolan added.

Ohio State alumni, friends and family members have achieved this by donating over \$22,000 so far to establish the **Robert & Joan McCoy Scholarship Endowment Fund**.

The purpose of the McCoy Scholarship Fund will be to provide academic scholarships annually to recognize and reward outstanding student members of FarmHouse Fraternity at the Ohio State University.

Those wishing to do so may make a memorial gift online or by mail to the McCoy Endowment Fund. Doing so will honor this devoted Alpha Zeta/Alpha Tau Zeta/FarmHouse couple.

PROVIDE FOR YOUR FUTURE

and future generations of FarmHouse men

Did you know you can earn an excellent rate of return if you establish a Charitable Gift Annuity (CGA) with the FarmHouse Foundation? Today's low interest rates offer great incentives to open a CGA with the FarmHouse Foundation. For as little as \$10,000, you can ensure fixed income during your lifetime (or even that of your spouse), a charitable tax deduction during the year in which you make the gift and the pride of knowing you will provide for future generations of FarmHouse men. The chart to the right includes the rates the Foundation currently offers. Contact us to find out how you can receive extra income while at the same time changing lives, not just someday, but every day and forever.

2015 LESSONS IN LEADERSHIP

JOHN CARLIN (KS '59)
 BRIAN HOGUE (TAM '05)

John Carlin (KS '59), left, Former Kansas Governor and Past United States Archivist, discussed civic engagement and tools to make a difference in your community during his Lessons in Leadership call.

Brian Hogue (TAM '05), right, Founder & CEO of nottoc Marketing and Arable Media, shared his experiences as an entrepreneur and how to market yourself after college. We are grateful to them for sharing their time and advice with 2015 Ruby Society members.

The CHARITABLE IRA LEGISLATION is Permanent

When you started your IRA years ago, you knew you were investing in the future.

When you make a gift from your IRA to the FarmHouse Foundation, you will invest in the future again.

Gifts from your Individual Retirement Account (IRA) are an excellent way for those 70½ and older to make a charitable donation.

In December 2015, President Obama signed into law making the IRA Charitable Rollover provision permanent.

The law allows you to make tax-free gifts to the FarmHouse Foundation from your Individual Retirement Account (IRA) for 2016 **and every year thereafter.**

Individuals aged 70½ or older can make gifts up to \$100,000 per year using funds transferred directly from their IRA without paying taxes on the distributions.

The transfer generates neither taxable income nor a tax deduction, so you will benefit even if you do not itemize your tax deductions.

In addition, your IRA gift can count toward your minimum required distribution as long as you have not received your distribution this year.

You may contribute IRA funds this way if:

- You are 70½ or older
- The gift is \$100,000 or less each year
- You make the gift on or before Dec. 31 each year
- You transfer funds directly from an IRA or Rollover IRA
- You transfer the gift outright to one or more public charities

How the Law Works

George, age 80, has \$450,000 in an IRA and has pledged to give the FH Foundation \$75,000 this year.

If George transfers \$75,000 directly to the FarmHouse Foundation from his IRA, he will avoid paying income tax on that amount.

He cannot, however, claim a charitable deduction—it is a pure wash. George has found an easy way to benefit the FH Foundation without tax complications. If his spouse has an IRA and is 70½ or older, she can also give up to \$100,000 each year.

“For the past few years, I have requested my IRA investment fund to send a check directly to the FH Foundation. This benefits me by meeting all or part of the required minimum distribution (RMD), lowering my adjusted gross income, and reducing my tax liability. I recommend that each person required to make a RMD from an IRA consider meeting all or part of it with a direct contribution to the FarmHouse Foundation. Both you and the Foundation will be winners.”

— Don Pennington (PU '56)

How to Make a Gift

You will need to contact your IRA administrator and have them send a check directly to The FarmHouse Foundation (Tax ID# 36-6111880), 7306 NW Tiffany Springs Pkwy, Suite 310, Kansas City, Mo. 64153.

If you would like, the FH Foundation can provide you with a sample request letter to use when contacting your IRA administrator.

It is wise to consult tax professionals if you are contemplating a gift under this law.

Honoring BROTHERHOOD

Illinois brothers start an endowment fund for leadership to remember the life and legacy of Gary Ludwig (IL '64).

GARY L. LUDWIG (IL '64)

"Gary exemplified what it meant to be a Builder of Men. He was one of the finest examples of how to build others, be a community leader, have

a great sense of humor, enjoy life, be a successful businessman, a devoted husband, father and grandfather and champion for FarmHouse," said Doug Sims (IL '65) and Larry Johnson (IL '65) about why they created the **Gary L. Ludwig Brotherhood Endowment Fund.**

Gary Ludwig (IL '64) was a long-time chapter advisor to the Illinois chapter, a member of the Illinois FarmHouse Association board, a FarmHouse Foundation Trustee for six years and a mentor and friend to hundreds of FH men, spanning the country.

He had a 40-year career in the insurance industry and owned Heartland Insurance Agency in Danville, Ill.

He enjoyed working alongside his family at Ludwig Farms. They raised and sold alfalfa hay, had a grass-fed registered Angus cow calf herd, raised and sold registered Holstein dairy cattle and owned Ludwig Farmstead Creamery, a cheese-making operation on their farm.

On Sept. 1, 2015, Gary passed away suddenly as the result of a major stroke.

To remember Gary's FarmHouse legacy and honor his memory, his family and FarmHouse brothers including Gordon Broom (IL '64), Mike Fayhee (IL '67), Larry Johnson (IL '65), John Rutledge (IL '64), Doug Sims (IL '65) and Alan Walter (IL '64) created the Ludwig Brotherhood Endowment Fund.

The purpose of the Fund is to assist members of the Illinois FarmHouse Chapter in developing their social skills, group dynamics, interpersonal relationships and leadership abilities.

It will provide funding for leadership training programs, chapter educational retreats, networking events, seminars, team-building programs, etiquette training, career planning and educational speakers.

Speaking to the purpose of the fund, Sims and Johnson added, "It is now our time to permanently thank, honor and remember Gary. Doing so will connect his life, work and contributions with opportunities to enhance the brotherhood and personal growth of the men of the University of Illinois Chapter, areas in which Gary had particular interest."

The goal is to raise \$51,000 for the fund to honor Gary's 51 years of membership. To date, over \$31,000 has been pledged and donated to the Ludwig Fund.

Those wishing to do so may make a memorial gift online or by mail to the Ludwig Endowment Fund. Doing so will honor Gary's memory and impact the men of the Illinois chapter for years to come.

Remembering TWO SPECIAL FARMHOUSE WOMEN

Kansas State brothers honor the impact and legacy of Marjorie Crane and Frances Russell with two endowment funds.

MARGE CRANE

FRANCES RUSSELL

Marjorie “Marge” Crane served for 12 years as cook at the Kansas State chapter. She had a passion for helping young men grow by listening, encouraging and building relationships.

She became an integral part of the chapter, and her family said her years at FarmHouse were among the happiest of her life.

She passed away March 24, 2015. To remember Marge and honor her legacy, the **Marge Crane Memorial Endowment Fund** was created by several Kansas State alumni to support leadership

training opportunities for members of the Kansas State FarmHouse Chapter.

Frances “Mom” Russell served as housemother for the K-State chapter from 2001-07. Her FarmHouse roots ran deep with her father and son-in-law as alumni of the chapter.

She was known for her focus on etiquette and her baking skills, particularly the snacks she would prepare during finals week. She frequently described being the FarmHouse house mother as her “dream job.”

Before she retired in 2007, she established the **Frances Russell Housemother’s Helping Hand Scholarship Endowment Fund**.

Each year her endowment fund awards an academic scholarship to an upperclassman living in the Kansas State chapter house. Mom Russell passed away Aug. 9, 2015.

Last fall, several Kansas State alumni and friends joined together to raise

support for both of these endowment funds to honor these special FarmHouse women.

To date, over \$11,000 has been raised for the Crane and Russell funds in their memory.

“Marge and Mom Russell each had a major impact on my time at FarmHouse. In their own ways, they served the chapter as true Builders of Men. Through these legacy endowments, their memories will live on and FarmHouse men who never had the opportunity even to meet them will continue to benefit from their love and devotion to FarmHouse,” said Clint Blaes (KS '05).

Those wishing to do so may make a memorial gift online or by mail to the Marge Crane Memorial Endowment Fund and/or the Frances Russell Housemother’s Helping Hand Scholarship Endowment Fund.

How to Plant Seeds with the FarmHouse Foundation

Giving Opportunities That Make a Difference

Your Support

The Foundation is grateful for the hundreds of FarmHouse members and friends who contribute each year. It is their support that makes FarmHouse educational and leadership programs possible. The following are ways to support the Foundation:

Annual Support

These gifts typically arrive in the form of checks, credit card gifts or gifts of stock. Most donors do not restrict the use of their annual gifts. This allows gifts to be allocated to the areas of most critical need.

Online Donations

The Foundation accepts donations online through PayPal, which accepts Visa, MasterCard, American Express, Discover and electronic checks. To make a gift online, please visit us at farmhouse.org/foundation/making_gift.htm.

EFT Giving Program

This is an easy way to make a big impact that works for your budget and schedule. You can direct your monthly or quarterly gifts to the fund of your choice, and gifts can be made from a checking account, savings account or credit card.

Memorial and Honorary Gifts

A memorial or honorary gift is a thoughtful way to recognize a brother's life and accomplishments. Any amount to any fund can be directed toward this type of recognition. Memorial gifts are acknowledged to the family while honorary gifts are acknowledged to the individual.

Gifts of Grain

The Foundation can accept gifts of grain. When making such a gift you will receive a tax deduction, or if you don't itemize, it will reduce the income you have to pay taxes on.

Stock Gifts

Appreciated stocks and mutual funds can be transferred electronically from your brokerage account or sent through the mail if held in certificate form.

Matching Gifts

Your employer may have a matching gift program that can multiply your support. Please ask your company's personnel office for the necessary forms.

IRA Gifts

Individuals aged 70½ or older can make gifts up to \$100,000 per year using funds transferred directly from their IRA without paying taxes on the distributions. The transfer generates neither taxable income nor a tax deduction, so you will benefit even if you do not itemize your tax deductions. In addition, your IRA gift can count toward your minimum required distribution as long as you have not received your distribution this year.

Endowment & Named Funds

Permanently endowed funds may be established and named in accordance with a donor's wishes through gifts of \$10,000 or more. Endowments may also be created with smaller gifts that the donor pledges to increase, over five years, to the \$10,000 level. Endowment funds provide a constant source of income for the Foundation and are spent with careful consideration of the donor's intentions. Choosing to endow and name a Fraternity program or scholarship is a terrific way to Permanently establish and recognize your legacy in FarmHouse.

Planned Gifts

Long-range estate and financial planning can enable you to make a substantial contribution to a program or project of your choice in a manner consistent with your overall charitable and personal commitments. Some examples of planned gifts include bequests, insurance policies, charitable remainder trusts and charitable gift annuities. The Foundation recognizes alumni who have made such gifts as members of the FarmHouse Futures Fund and now as part of the "100 Legacies In The Making."

Restricted Gifts

Some alumni choose to restrict their gifts to specific programs, scholarships, a foundation council or building fund. For example, one alumnus may ask that his gift be used solely for scholarships while another alumnus may direct his gift to the Leadership Institute. Both of these gifts are acceptable and welcomed. The Foundation does retain the right, however, to decline any gift that does not meet the approved purposes of the Foundation or would be overly restrictive.

HONOR ROLL *by Chapter*

The FarmHouse Foundation gratefully acknowledges the generous support of our donors. All donations received during fiscal year (FY) 2015-16 are acknowledged below. **They are listed by chapter, in order of founding.**

The Foundation would be honored to add your name to our growing list of those who annually make an investment in "Building Men." We are grateful for every gift, regardless of the amount. Since the Foundation is a qualifying 501(c)3 organization, all donations are tax-deductible.

If you are interested in becoming a donor or if your name has been omitted or accompanied by incorrect information, contact the Foundation at (816) 891-9445. († denotes deceased)

“ My gift was nothing special. It was simply an appreciation acknowledgement of the FarmHouse brothers before me. Their investments significantly enriched my life as well as my son, Nate's, who is a member of FH too. ”
—Craig Hertel (NE '75)

“ I have had countless FarmHouse alumni and mentors pour into my life and bless me with resources to spur me on. They exemplify what it means to be a Builder of Men. Without their help I wouldn't be half of the man I that I am. ”
—Tyler Dick (MN '14)

**HONOR THE FRATERNITY'S
 AGRICULTURAL HERITAGE
 WITH A GIFT OF GRAIN**

Build the future of young FarmHouse men with your agricultural gift. The FarmHouse Foundation accepts gifts of grain, which may be designated to a fund of your choice. Doing so, you may save on your taxes by gifting crops, whether stored or newly harvested, to the Foundation before they are sold. To learn more about making a gift of grain, visit farmhouse.org/foundation/giving_guide.htm or contact the Foundation at (816) 891-9445.

"I think Howard would be so happy for this new home for the SDSU chapter. I'm happy to support the project—I think that's how we get good things done...pay it forward."

"We are donating to the Foundation in honor of our son. We are so pleased at how FarmHouse has provided him a firm foundation at school and given him opportunities for learning and travel."

Annual Fund DONORS

The Annual Fund recognizes alumni and friends of the Fraternity who provide annual unrestricted gifts to the FarmHouse Foundation, thus fueling much of the service and progress of both the Fraternity and the Foundation. New programs often begin with the support of unrestricted money and unrestricted giving is essential to the Foundation's operation and programs.

The Foundation would be honored to add your name to our growing list of those who annually make an investment in the "Building of Men." If you are interested in becoming a donor or if your name has been omitted or accompanied by incorrect information, contact the Foundation at (816) 891-9445. († denotes deceased)

Chairman's Club Donors

Members who invest in the Chairman's Club ensure we can invest in our growing, progressive and successful International Fraternity. The following individuals made a significant investment in the Annual Fund to join the Chairman's Club during fiscal year (FY) 2015-16.

10th Annual POWER OF 7 SEMINAR

Something special happens when some of the brightest young FH undergraduates gather in a room with distinguished and successful alumni—ideas ignite, new thoughts are born and innovation is inspired.

Everyone leaves encouraged about the future—the future of these young men, our country and FarmHouse. This was especially true at the FarmHouse Foundation's 10th Annual Power of 7 Seminar in April 2016.

"The Power of 7 Seminar challenged my boundaries and put me in a competitive environment that forced me to grow. It was extremely humbling to be chosen to participate. It was one of the most influential events I have attended in my adult life, exposing me to new people, places and ideas, and cementing the solid foundation set by my time as a FarmHouse man," said Connor Dunn (AU '13).

To mark this milestone year, 55 Second 7 alumni, Trustees, spouses and undergraduates traveled to the historic Broadmoor Hotel in Colorado Springs, Colo., April 22-24, 2016.

A special highlight this year was a candid interview with Clayton Yeutter (NE '49), Master Builder, former U.S. Secretary of Agriculture, former Republican National Chairman and past Counselor to the President of the United States.

Led by his long-time friend, Jim Herbert (TN '61), immediate past Foundation Chairman and CEO of Neogen Corp., Clayton shared personal experiences and stories from each part of his distinguished career.

The heart of the Seminar is the roundtable discussions led by alumni attendees. This year topics included production agriculture from a landowner's perspective, the business of agriculture and food

**"This experience always revalidates my decision, over 50 years ago, to join FarmHouse."
—Doug Sims (IL '65)**

2007 Attendees at the first Power of 7 Seminar in Keystone, Colo. Since its inception, 53 alumni and 75 undergraduate members have attended a Power of 7 Seminar.

security, public and private investments, entrepreneurship, real estate and the future of nuclear energy.

To round out the weekend, advice, lessons and reflections were shared by the spouses, undergraduates and alumni during the closing sessions on Sunday.

In ten years, the Power of 7 Seminar has inspired career changes, formed lifetime relationships and provided significant unrestricted support to the Annual Fund for the important work of the Foundation—*Building the Leaders of Tomorrow.*

Thank you to the generous Second 7 Founders who continue to make the Seminar possible year after year by donating \$7,000 or more to the Annual Fund and sponsoring the attendance of an undergraduate member.

A special thank you to our 2016 Second 7 Alumni: Rick (ND '78) &

Tracy Berg, Don (KS '63) & Signe Ferguson, Jerry (KS '59) & Pam Gardner, Jim (CO '72) & Twila Hendrix, Jim (TN '61) & Judi Herbert, Dick Kruse (KS '63), Doug (IL '65) & Nancy Sims, Noel (PU '54) & Sandy Stuckman, Jim Tobin (IA '76) & Gina Heagney, Jeff (ND '79) & Jan Topp and Clayton Yeutter (NE '49).

Interested in attending in 2017? Save the date for the 11th Annual Power of 7 Seminar April 20-23 at the Drake Hotel in downtown Chicago! Contact Allison at 816.891.9445 or Allison@FarmHouse.org for details.

Choosing GREATNESS

Because of the following donors, the Foundation provided a record grant of \$112,000 to the International Fraternity for the FarmHouse Leadership Institute (FLI) and FarmHouse GROWS conferences in January 2016. This year, a portion of each gift to FLI was used to support a chapter's attendance at FarmHouse GROWS. Your gift made both of these programs possible and in turn prepared these young men to be leaders in their chapters and communities as well as ensure FarmHouse continues to grow.

“ I learned so much at FLL. I learned how to understand and use my leadership skills, about risk management and that I need to be accountable in what I do every day. I also enjoyed meeting brothers from across the country and Canada.

“ FLL reminded me why I joined FarmHouse and why continuing to live the Ritual is so important. It gave me a better understanding of myself as a leader and how to apply myself to be the change I want to see in my chapter. It inspired me!

A message from the

EXECUTIVE DIRECTOR

of the FarmHouse Foundation

Picture a basement in a family's home. A normal sized, lovely house in the suburbs of Chicago in the 1960s. A couple in their mid-40s live there with their teenage daughter. And, while this may seem like a typical family at the time, greatness was happening.

For in that home lived Darl Snyder (IA '42), his wife Florence and daughter Cheri. Darl was FarmHouse's first full-time

Executive Secretary. And, in that basement was FarmHouse's headquarters and the birth place of the FH Foundation.

Fifty years ago on Jan. 7, 1966, the FH Foundation became official by receiving recognition from the IRS as a 501(c)3 organization and could accept tax-deductible donations.

However, it was in 1962 the vision of the Foundation began. The first Board of Trustees had an initial \$2,000 from the Fraternity, a great deal of work ahead and big ideas.

So Jan. 7, 1966, marked the completion to create an organization that would use the funds entrusted to it to, "foster high standards of scholarship, character, leadership and cultural development among all the members of FarmHouse Fraternity."

Darl recently shared, "I take considerable satisfaction in the fact the initiating of the FarmHouse Foundation was original with Florence and me. The Foundation has experienced considerable development since its birth in our basement. Credit and recognition go to the men who guided us through the process as well as those who were serving on the Fraternity Board and encouraged us to seek IRS approval. The successes being achieved today speak eloquently to the reasons for its establishment. It serves an important purpose —to Build the Leaders of Tomorrow. It was a good idea then and continues to be a good idea."

What started as a \$2,000 investment 50 years ago has transpired into a remarkable philanthropic foundation. Since its inception, over 11,000 members, parents and friends have invested, the Foundation's assets have grown to \$17 million and hundreds of young men are impacted each year by the grants and scholarships awarded.

While the Foundation's story first began in a basement, since then invaluable stories, experiences and tremendous philanthropy have transpired. With 11,000-plus donors come thousands of stories of philanthropy, FH connections and votes of confidence in the Fraternity.

Because, we know that each gift has a personal story tied to it. And, every donor—alumnus, undergraduate, parent or friend—has a story to share and we work to listen.

Our 2015-16 *Impact Report* shares a handful of treasured stories of philanthropy and testimonials of the impact giving makes on the Fraternity and our members. However, there are thousands more to share, including your own. *For example...*

It is the story of how an alumnus met his wife because of FarmHouse and gives in honor of their 50th anniversary.

The long-time, dedicated Association leader who gives his first five-figure gift to help ensure his chapter's house is an improved, safe place for young men to call home.

The young alumnus motivated to lead his chapter because of attending a FH leadership conference and gives to pay it forward and teach the next class of leaders.

The parents who give in honor of their son because they are immensely proud of the man he is becoming.

The friend who mourns the passing of a FH brother who makes a memorial gift, or creates an endowment fund in his name and inspires his pledge class to do the same.

The alumnus who makes the ultimate gift by including FarmHouse in his estate because of his belief in Fraternity.

As the stories, highlights and accomplishments in this *Impact Report* tell the story of our most recent fiscal year, we have much to be proud of as evident in the incredible success of *Live. Learn. Lead. —The Campaign for FarmHouse*. It is because of you, each donor, that makes all of this possible. You play a vital role in FarmHouse and we are fortunate to count on you.

However, our 50-year story doesn't end here. And hopefully your FarmHouse philanthropic story doesn't either.

Today, more is required to educate students for the challenges of our times. The changing world calls for new investments in FarmHouse.

There are chapter houses in dire need of improvement (live.), young men deserving of scholarships (learn.) and inspiring educational programs to fully-fund (lead.). This requires an even stronger foundation under the excellent leadership programs and resources provided to our 1,700-plus undergraduate members today and in the future.

Live. Learn. Lead. —The Campaign for FarmHouse is about our future. It is about making sure the Fraternity can sustain its ability to educate and assist young men to become the leaders of tomorrow who will make a difference in our world.

So, I remind you of the basement in Illinois. Can you picture them? What they thought was a "good idea" with a \$2,000 investment has transformed into a remarkable foundation and an incredible story to tell.

I invite each of you to join in this special celebration year, make a birthday gift, get involved and share your FarmHouse story. With your annual investment, you will continue to make this special FarmHouse story possible.

And, my hope in 50 years, when we tell FH stories, we'll all think back, like Darl, and say, "that was a good idea."

BUILDING THE LEADERS OF TOMORROW

50TH ANNIVERSARY

What started as a \$2,000 investment by the Fraternity's Executive Board 50 years ago has transpired into a remarkable philanthropic organization that impacts hundreds of young men each year. In 2016, we reflect on the past 50 years of the FarmHouse Foundation and look to the next 50 as we near the completion of Live. Learn. Lead. —The Campaign for FarmHouse.
