YOUR REASON

Jeremy Settles, Chairman
(New Mexico State 94)

We all have a reason—a lesson we learned, an experience or friendship that was so life-changing it inspires us to give back to FarmHouse.

I think about the personal

development and leadership experience I received as a student. The friendships that have stayed with me since graduation—and the new friendships I’ve made because of my involvement with the Fraternity.

For David Crea (ID 71), “being in FarmHouse was one of the key experiences in life to shape me.”

Ryan Taylor (ND 89), former North Dakota State Senator, gives to FarmHouse, “because of the opportunities, positive growth and friendships it gave to me at a very formative time of my life. **A time when the scale of choices could have easily tipped from ‘helpful’ to ‘not helpful’ if not for the encouragement and example of FarmHouse.**”

Whatever your reason, we thank you for making the choice to give to the FarmHouse Foundation.

Your gift, combined with gifts from 2,343 of your FarmHouse brothers and friends, led to a record \$6.25 million donated to the Foundation last fiscal year.

This was an incredible statement of support—especially during the year concluding the largest campaign in FarmHouse’s history. Your generosity is remarkable!

And, most importantly, your philanthropy provided crucial funding for your undergraduate brothers across North America.

Because of you, over \$3.1 million was granted last fiscal year for leadership training and personal development programs, scholarships, educational portions of chapter housing, computers and technology and support for the future of FarmHouse.

Your gift changes lives.

When Brandon Douglas (AL 13) was moving out of his chapter house four years after he moved in, he shared, “I’ve never considered myself someone who struggles for words, but when I think about what this house, and the organization it represents, means to me I am truly at a loss. **I’ll never be able to give back enough for all that it has given me, but I can certainly try.**”

That is pretty powerful—and wouldn’t be possible without your continued support of the Fraternity and Foundation.

As I conclude my term as Chairman, I thank you for believing in our mission, for honoring your reason and giving so generously to FarmHouse.

I’m excited about the direction of the Fraternity and Foundation and can’t wait for what is next!

For a preview, see page 42.

THANK YOU.

Because of you.

“If not for FarmHouse, I probably would not be at school now. I took time off to help my family, and FarmHouse gave me the support I need and confidence to come back.” —*John Blake (Mississippi State 17)*

Your gift last fiscal year reaches further than you may realize. It touches young men like John who succeed because of FarmHouse. Because of you.

It means family to many young men, like Jacob, who need the emotional support of their brothers.

“When my father passed away, it was my FarmHouse brothers who helped me through the rough times. They celebrate with me during the good times. They have

quite literally been my family and support in college.” —*Jacob Walter (Colorado State 15)*

And it means opportunities for personal development through leadership training, study abroad trips, leading and running a chapter.

“FarmHouse means everything to me. **I give all credit to FarmHouse for my success.**” —*Jailyn Conner (Tarleton State 15)*

Most importantly, your gift means FarmHouse continues to influence the lives of hundreds of young men.

This Impact Report is full of FarmHouse stories made possible **because of you.**

Because of you, over \$3.1 million was granted to the International Fraternity, FarmHouse chapters and young FH men.

“Being new to the Fraternity and the newest chapter, FarmHouse has taught me what it is to be a true leader, and it has given me confidence. I’m learning to be a man with the integrity to do what is right, even when doing what is right is hard. Thank you for all you have given back to make my FarmHouse experience possible.”

FY 2017-18 ENDOWMENT REPORT

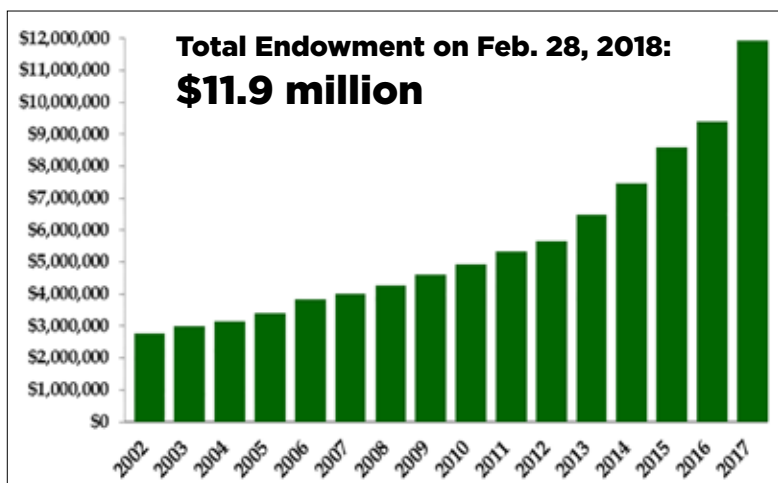

ENDOWMENT OVERVIEW

The primary function of the FarmHouse Foundation is to serve as manager and administrator of charitable assets and to distribute funds derived from the generation of income from the assets of the Foundation. The Board of Trustees' Finance Committee oversees the investment management of the Endowment Fund portfolio, which operates within the parameters of the Foundation's Investment Policy Statement.

The Finance Committee seeks investment returns through a diversified investment portfolio consistent with the approved Investment Policy Statement. To achieve its investment objective, the FarmHouse Foundation works with an independent investment advisor, Financial Counselors, Inc., based in Kansas City, Mo. Together, they make investment decisions, provide ongoing evaluation of economic conditions, review performance and provide advice on asset allocation.

The primary objective of the endowment funds is to generate an increasing stream of income to honor the donor(s)' designation of their fund while maintaining the permanency of the endowment funds over time. This includes funding for scholarships, leadership training, educational programs, chapter specific initiatives, computer technology, chapter housing and unrestricted support for FarmHouse.

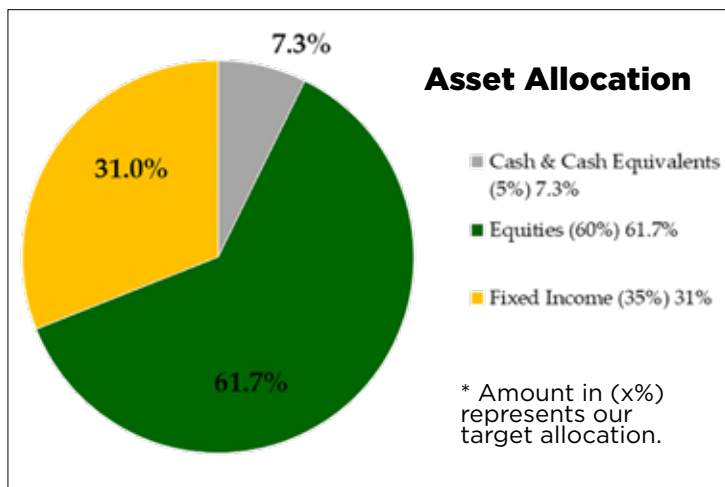

Endowment funds provide a permanent partnership between FarmHouse and the donor. The generosity of our endowment donors is appreciated by generations past, present and future.

INVESTMENT PERFORMANCE

The Endowment Fund portfolio is calculated on a total return basis, which measures the performance of equity and fixed income. Total return, for purposes of this report, is the combination of income, dividends, gains and losses for the fiscal year, net of investment management fees. Investment performance is determined as a whole rather than on each separate endowment. Depending upon the timing of the creation or additions to an individual endowment, returns on specific endowments may vary.

The endowment spending allowance is approved by the Board of Trustees annually. It is applied to the 5-year rolling average of the market value of your endowment fund.

BY THE NUMBERS FOR FY 2017-18

- Endowment Fund Assets: \$11,929,012
- During FY 2017-18, \$2,268,968 in new endowment gifts were received.
- The Endowment had a rate of return (net of fees) of 9.48%.
- Current Spending Allowance: 3.5%
- Current Administrative Expense: 1.75%

Never Stop

When Linda Lloyd's husband, Gene (Iowa State 47), passed away in April 2017, his legacy didn't stop.

This really wasn't unusual though, because as Linda puts it, Gene's motto was, "Never stop learning."

Linda also likes to add, along with Gene's motto came, "Never stop working."

Gene's life was full of hard work and learning, ever since he was a young child. "If he were here today, he would tell you that he flunked first grade, but he wouldn't mention that he was only 4 years old," Linda recalls.

Gene, an only child growing up on a farm, attended a small country school and graduated from Red Oak High School in 1942 in southwestern Iowa.

He started at Iowa State College studying pre-veterinary medicine but World War II was raging. Like many at the time, Gene enlisted with the Navy in 1943. After serving his country, in 1946, Gene returned to Iowa State and joined FarmHouse.

"I only lived in the chapter house one quarter, but I attended every FH event I could, including meetings and mixers," Gene said, before his passing at age 92.

"I liked what FarmHouse stood for – the open critique sessions with my brothers, the high scholastic standards and striving to be of good moral character. I made life-long friends and connections through FarmHouse."

After graduation in 1949, with the financial assistance of an uncle, he purchased a veterinary practice in Shenandoah, Iowa, which he managed for 15 years before returning to Iowa State University (ISU) to earn a Ph.D. in pathology. During this time, he and a colleague started Vet-A-Mix in the back of his practice, making pre-mixes for farmers and pet owners.

While earning his Ph.D., he taught veterinary toxicology. He then returned to Shenandoah to his Vet-A-Mix business, which was later renamed LLOYD, Inc., where he was active until his death. LLOYD, Inc. is a developer and manufacturer of pharmaceutical and nutritional products for animals and humans, which recently celebrated its 60th anniversary. Veterinarians and physicians throughout the world have used LLOYD's products

Above: Linda Lloyd with the Iowa State Chapter; Left: Gene (Iowa State 47) and Linda Lloyd

to aid in the treatment of diseases and nutritional deficiencies.

Gene was often recognized for his leadership in veterinary medicine, as he received the Outstanding Service Award from the American Board of Veterinary Toxicology, was featured in the book, "Iowans Who Made a Difference: 150 Years of Agriculture Progress," and was named one of 28 leaders in veterinary medicine in the U.S. of the mid-20th Century. In 2017, he received Iowa State University's Distinguished Alumni Award, the highest honor given to alumni through the ISU Alumni Association.

Gene embodied the values and principles of FarmHouse throughout his life of scientific exploration, study, hard work and entrepreneurial ambition in his veterinary practice, as an educator, in shaping the agriculture industry and helping others.

This very commitment lives on and was exemplified by Linda when, this past fall, she made a transformational gift of \$800,000 in Gene's memory to establish their second scholarship endowment fund with the FH Foundation. Linda is proud of Gene's dedication to ambitious hard work and studiousness, and wants to help young men, like Gene, pursue those same passions.

The purpose of their new endowment fund is to award academic scholarships to initiated members of the Iowa State Chapter, and for future loans for building projects such as new construction, renovation or expansion of the Iowa State chapter house. Linda also offered a challenge to Iowa State FH alumni to raise an additional \$400,000 for similar educational features to benefit the chapter.

"This gift will go for scholarships and loans to Gene's much younger FH brothers to help them financially reach their dreams of earning an education," Linda said when

her commitment was announced at the chapter's homecoming in October 2017.

Investing in education has long been an important philanthropic priority for Gene and Linda, including gifts they've made to ISU, in their hometown and to the FarmHouse Foundation.

In 2008, Gene and Linda established their first endowment fund with the FH Foundation, which provides funding for academic scholarships to recognize and reward outstanding members majoring in agriculture and/or life sciences, from any FarmHouse chapter as well as female FarmHouse legacies. In a decade, 28 students have received a Lloyd Scholarship. In fall 2018, four \$2,750 scholarships will be awarded to the next group of Lloyd scholars.

"I enjoy letters from our scholarship recipients and getting to be a part of their journey," Linda said.

Gene and Linda's generous philanthropy impacts students today and will continue for generations to come by helping each recipient pursue their own academic passions and prepare for successful careers.

"FarmHouse was very important to Gene. Having people help guide him and critique him helped him improve. He realized that benefit in his career. As an only child, it was good to have FarmHouse as his brothers," remarked Linda.

"In honor of my late husband, I thank you for this opportunity to give back. He felt FarmHouse had a major positive influence on him throughout his long life. I hope this gift for Iowa State with the FarmHouse Foundation will help in some small way in Building the Leaders of Tomorrow."

How One Sentence Can Change Lives

What if all you had to do to ensure FarmHouse continues to Build the Leaders of Tomorrow for years to come is to write a simple sentence? It really is that simple.

Including the FarmHouse Foundation in your estate will give future generations of FarmHouse men opportunities to learn and grow both in and out of the classroom through leadership training, academic scholarships and a home away from home. Estate giving is the ultimate gift—a lasting tribute to your interest in and support of FarmHouse and an inspiration for others to follow.

This is a popular gift because it is:

- **Affordable.** The actual giving of your gift occurs after your lifetime, so your current income is not affected.
- **Customized.** You can designate your estate gift for unrestricted support or to benefit a specific leadership program, chapter or establish an endowment fund in your name.
- **Flexible.** Until your will goes into effect, you are free to alter your plans or change your mind.
- **Versatile.** You can give a specific item, a set amount of money or a percentage of your estate.

PUT IT IN WRITING

If you are ready to include a gift to the FarmHouse Foundation in your will, ask your attorney to add this suggested wording to your will:

"I give and bequeath to the FarmHouse Foundation (Federal Tax ID #36-6111880), a not-for-profit 501(c)3 trust agreement domiciled in Missouri, the sum of \$____ (or ____% of my residuary estate) to provide funding for [insert program or chapter to benefit] OR be used for educational purposes as the Foundation Board shall determine."

Every gift begins with an important question: **How can I make a difference in the lives of others?** An estate gift to FarmHouse can do just that. Doing so, you will join our 100 Legacies in the Making that recognizes those who have generously included FarmHouse in their planned giving. Plus, your generosity will inspire others to follow your example. Your philanthropy and dedication to FarmHouse will change lives, not just someday, but every day and forever.

Cheers to 44 Years!

Alumni and friends celebrate Bob Off's 44-year tenure and legacy

Bob (CO 64)
and Linda Off

How do you honor someone who has influenced generations of FarmHouse men and given more than four decades of service to the Fraternity and Foundation?

You travel, send cards and make thoughtful gifts from near and far to celebrate!

Over 55 FarmHouse alumni and spouses gathered in Minneapolis on November 11, 2017, for Bob Off's (CO 64) retirement celebration at the Minneapolis Marriott City Center Hotel. Those present toasted Bob, shared special memories and FarmHouse stories, and the evening culminated with two special announcements.

In toasting Bob, the FarmHouse Foundation Trustees and Staff announced the creation of the new Robert L. Off Servant Leader Award to recognize individuals who have tirelessly contributed their time, leadership and resources in meaningful ways to advance the FarmHouse Foundation. The first recipient will be honored at the 50th Biennial Conclave.

And, Allison Rickels, Foundation Executive Director/CEO, surprised Bob and Linda with news that over \$50,000 has been donated by alumni, friends and undergraduates to establish the Robert L. and Linda K. Off Endowment Fund.

The Foundation thanks the 97 FarmHouse brothers, friends and interfraternal colleagues who made this possible, which surpassed the initial goal to raise \$44,000. The purpose of the Fund is to provide permanent funding to inspire new educational initiatives, support the operations and staff, and meet the changing needs of the International Fraternity and the FarmHouse Foundation.

"Wow! You all know how to throw a party," said Bob. "We enjoyed it immensely! It may have become an over-used cliché, but Linda and I were truly 'blown away' by the thoughtfulness and generosity of those alumni and friends of the Fraternity and Foundation that made a contribution to The Robert L. and Linda K. Off Endowment Fund that was announced."

"It has been my honor and privilege to have served the Fraternity and Foundation," he continued.

"I could not have done so without Linda's support and work behind the scenes for nearly 45 years. We were, and are yet, a team especially when it comes to FarmHouse.

The income from the Endowment shall be used, 'to support educational programs for the betterment of FarmHouse International Fraternity

and the operation of the FarmHouse Foundation'. The principal can also be used as a mortgage loan for the Foundation's Chapter Housing Loan Program. That pretty much covers the waterfront as to what the Fraternity must do to continue to be Builders of Men: provide safe, comfortable and affordable housing as well as top-notch educational programming going on inside every chapter house.

Thanks again for a memorable evening. We will never forget it and those who made it happen."

Additional gifts to the Bob and Linda Off Endowment Fund are continually welcomed. A list of donors will be kept and shared with them from time to time.

Past Fraternity Executive Chad Harris (Iowa State 98) and current Fraternity Executive Christian Wiggins congratulate and thank Bob Off (Colorado State 64) for his 44 years of leadership & service to FarmHouse.

In their own words...

Dylan Rodriguez shared a post. February 7

FarmHouse Fraternity has, without a doubt, changed my life. This organization has allowed me to grow and develop as a leader. With the generous support of alumni, friends and family FarmHouse works to equip young men with the skill set required to be the leaders of tomorrow. Please consider investing in the life's of young men who are striving for their passion.

"FarmHouse has prepared me for the steep task of not only leading my chapter, but building our men to be strong leaders in the future."

Your gift this #FHDayOfGiving can build FarmHouse.

I cannot put into words how much my ATZ/FarmHouse experience meant to me at Ohio State. Every day, I get to put to use the skills and values that I learned during my fraternity experience. And today, I pay it forward to FarmHouse so that other aspiring young men can develop the skills and experience needed to become leaders in society tomorrow.

On this FH Day of Giving, please consider making a gift to the Ohio State Chapter... See More

FARMHOUSE DAY OF GIVING

Tim Hadachek February 28

I'm participating in the #FHDayofGiving because I believe the world needs more men "of good moral character," that are "high in scholarship," who "have the capacity for meeting and making friends," and who "give promise of service to their fellowmen and the world."

If you agree, I hope you'll join me: <http://bit.ly/FHGIVE>

Today I'm giving in honor of the late Ben Knight (TR '09). Our support will allow future generations of FH men, like Ben, to continue to strive for leadership, scholarship and fellowship. Join me in making a gift to the Annual Fund on the #FHDayofGiving. bit.ly/FHGIVE

COPORATE MATCHING GIFTS

Corporations of all sizes encourage support of charitable causes by offering to match gifts made by their employees to qualifying 501(c)3 organizations, such as the FarmHouse Foundation. Some employers will match retired employees gifts too. The FarmHouse Foundation thanks the following corporations that matched employees gifts to the Foundation during the 2017-18 fiscal year.

ANNUAL FUND DONORS

The Annual Fund recognizes alumni and friends of the Fraternity who provide unrestricted gifts to the FH Foundation. New programs often begin with the support of unrestricted resources and unrestricted giving is essential to the Foundation's services and programs. The Foundation would be honored to add your name to our growing list of those who make an unrestricted investment in "Building Men."

As a part of the Annual Fund, The Chairman's Club is for those who make an unrestricted gift of \$700 or more. Alumni who make an unrestricted gift of \$7,000 or more are also invited to attend the Power of 7 Seminar, an exclusive FarmHouse weekend in a resort setting. At the Seminar, they sponsor and mentor one of FarmHouse's top undergraduate leaders. (* denotes deceased)

Chairman's Club Donors

Members who invest in the Chairmans Club ensure we can invest in our growing, progressive and successful International Fraternity. In fiscal year (FY) 2017-18, 106 individuals made a significant unrestricted investment in the Annual Fund to join the Chairman's Club. They are recognized below.

In their words...

Past Power of 7 Attendees

“The Power of 7 Seminar is a mentally stimulating experience. Hearing the success stories of fellow brothers and helping young students start their path through life is rewarding.”

— **Rick Brock (Purdue 71)**
President and Owner of Brock Associates

“I enjoyed learning from and being around successful men who treated me as a brother. Hearing their stories of patience and uncertainty along their journey to where they are now was perfect for me as a young man getting ready to start my journey. It was eye-opening.”

— **Austin Sanders (Tennessee 15), Senior in Plant Science, Chapter President**

“It is a priceless experience. From the first evening where I see great old friends and my mentee to the roundtable discussions, all of it excited me about FarmHouse. It’s hard to describe the brotherhood and warmth between these guys—people I would never know without the Seminar.”

— **Dick Kruse (Kansas State 63), Entrepreneur & CEO/Owner of Kruse Enterprises**

Charitable Gift Annuity Rates on the Rise

We have some exciting news to share that can boost a donor's retirement income and support your Fraternity at the same time.

Effective July 1, 2018, charitable gift annuity rates increased. This increase along with today's low interest rates offer great incentives to open a charitable gift annuity with the Foundation.

The American Council on Gift Annuities (ACGA) recently announced an increase in recommended charitable gift annuity rates, for gifts established on or after July 1, 2018.

The FarmHouse Foundation offers gift annuities and follows the ACGA recommended rates.

A gift annuity is a simple, straightforward contract between the donor(s) and the FarmHouse Foundation, which stipulates the Foundation will pay the donor(s) a guaranteed annual income for up to two life expectancies.

Given the Foundation Trustees' strong record for investing for the long term, we believe that we will be able to maintain the corpus of each annuity and even grow it in perpetuity.

How It Works

For as little as \$10,000, you can make a donation using cash,

marketable securities or other assets, and the FarmHouse Foundation, in turn, pays you a fixed amount for life. With this type of gift, you can feel secure knowing you can count on receiving stable payments for as long as you live. And now, the gift annuity rates are higher than they have been in over six years.

How You May Benefit

Under the old rate schedule, John, 72, transferred \$25,000 in exchange for a charitable gift annuity. He received annual payments of \$1,350, a rate of 5.4 percent. However, if John makes his gift now, the same gift amount will provide \$1,450 in annual payments, reflecting a 5.8 percent rate. That's a payout rate increase of approximately 7.4 percent.

In addition to the opportunity to increase your retirement income as you help shape our future, gift annuities offer you numerous tax benefits, including:

- A partial income tax charitable deduction now for your gift when you itemize.
- Part of each payment is income tax-free throughout your estimated life expectancy.
- Capital gains tax savings on appreciated property you donate.

Request A Personalized Illustration

The Foundation Staff would be happy to send you a free, no-obligation illustration showing the increased benefits you can receive from a charitable gift annuity. The personalized illustration will include the potential income tax charitable deduction and annual payments to you for life.

You are our future.

Contact Allison Rickels, Foundation CEO at Allison@FarmHouse.org or 816-891-9445 to discuss how you can receive extra income while at the same time change lives, not just someday, but every day and forever.

California residents: Annuities are subject to regulation by the State of California. Payments under such agreements, however, are not protected or otherwise guaranteed by any government agency or the California Life and Health Insurance Guarantee Association.

Oklahoma residents: A charitable gift annuity is not regulated by the Oklahoma Insurance Department and is not protected by a guaranty association affiliated with the Oklahoma Insurance Department.

South Dakota residents: Charitable gift annuities are not regulated by and are not under the jurisdiction of the South Dakota Division of Insurance.

In their own words...

Charles Stuber (NE 49)

“I feel that the charitable gift annuity was a win-win for both me and my wife, and FarmHouse. Funds that I had in a money market account were earning very little interest. The interest that we are now receiving on the annuity is about six percent (6%). Not only did we have a sizeable benefit on our income tax when we made the donation to FarmHouse, only a small proportion of the income generated each year is taxable. If the FarmHouse Foundation is successful with its investments, when my wife and I die there should be a significant portion of our gift left for the Foundation. I do not know if this has been verified, however someone told me that people who fund charitable gift annuities tend to live longer. If this is true, this is another reason to make such gifts.”

Tarry Edington (MI 61)

“When I retired, Polly, my wife, and I set about completing a plan for retirement income and end-of-life estate affairs. We chose to use FarmHouse as one of the avenues for accomplishing two objectives. One was to leave a legacy gift in recognition of the significant contribution to my growth, development and relationships during college. The other was to provide assured sustained income for the remainder of our lives. With a combination of a charitable gift annuity and an endowment fund with FarmHouse Foundation, we were able to achieve both objectives. What we achieved in using this combination is a win, win, win, win. These wins are: charitable gift income tax deduction, limited taxability of annuity income, assured income for life, and perpetually benefitting my chapter.”

HONOR ROLL BY CHAPTER

The FarmHouse Foundation gratefully acknowledges the generous support of our donors. All donations received during fiscal year (FY) 2017-18 are acknowledged below. They are listed by chapter, in order of founding.

The Foundation would be honored to add your name to our growing list of those who annually make an investment in "Building Men." We are grateful for every gift, regardless of the amount. Since the Foundation is a qualifying 501(c)3 organization, all donations are tax-deductible.

If you are interested in becoming a donor or if your name has been omitted or accompanied by incorrect information, contact the Foundation at (816) 891-9445. (*† denotes deceased*)

RUBY SOCIETY
FOR UNDERGRADUATES

We are grateful for the dedicated support FarmHouse undergraduates give each year to the Foundation. They impress us with the level of their generosity to help provide the leadership books and educational materials for the Regional Leadership Conferences (RLC) and Conclave.

Last year, undergraduate members donated \$7,285 to the Ruby Society, which supported the the leadership book for all RLC attendees, "Onward: How Starbucks Fought for Its Life without Losing Its Soul" by Howard Schultz.

Since its inception, undergraduate members have donated over \$80,000 to the Foundation through this special giving program.

LESSONS IN LEADERSHIP

WITH JEREMY SETTLES (NEW MEXICO STATE 94) FOUNDATION CHAIRMAN

Jeremy Settles (NM 94), Chairman of the FarmHouse Foundation and co-founder of OroSolutions, a technology firm providing financial reporting for large corporations hosted the 2017 Lessons in Leadership conference call for undergraduate members of the Ruby Society. He shared his personal experience, tips for starting a career and what to consider when starting your own business. This is one of the membership benefits of the Ruby Society. We are grateful to Jeremy for sharing with undergraduate donors.

FRIENDS OF FARMHOUSE

The Foundation is grateful to the following FarmHouse parents, wives, widows, fraternity and sorority professionals, and other friends who supported the FarmHouse Foundation during fiscal year 2017-18. We are encouraged so many believe you don't need to be a member of FarmHouse to invest in and support our mission of Building the Leaders of Tomorrow.

“Thank you so much for your investment in me. Your financial support makes it possible for me to become a leader of my chapter through conferences like the Emerging Talent Retreat.”

2018 FARMHOUSE LEADERSHIP INSTITUTE DONORS

Because of the following donors, the Foundation was able to grant \$134,365.27 to the International Fraternity for the FarmHouse Leadership Institute (FLI). Donors' financial support made it possible for 220 leaders from 37 chapters and colonies to attend the FarmHouse Leadership Institute (FLI) at no personal cost. A record number of leaders from every chapter and colony participated in the expanded FLI experience, January 4-7, 2018, and thanks to you were able to kick-off the new year with a weekend of values-based educational programming.

WHAT'S NEXT?

BEGINNING WITH THE END IN MIND

Excellence. The last letter of the FARMHOUSE acronym and the place we need to start, together.

For so long, we have depended on your investments project by project, need by need, and year by year. Like our students, we recognize that new challenges require a new approach.

That is why the FarmHouse Foundation has partnered with the International Fraternity to address the tough environment on college campuses today by raising new financial resources to double the grant to the Fraternity this fiscal year and into the future.

THE FARMHOUSE EXCELLENCE FUND

With your help, the Foundation intends to accomplish this significant goal through the launch of the **FarmHouse Excellence Fund**. This new comprehensive approach for donor giving replaces the Annual Fund and enables the Foundation to raise new unrestricted resources, which will fund cutting edge initiatives to benefit every chapter and every member to achieve the excellence that's promised to them.

Your investment in the FarmHouse Excellence Fund helps bridge the gap between the services the Fraternity provides through membership dues and the rising costs of values-based education and leadership experiences.

Contributions to the Fund will also support local volunteers, alumni engagement, a leading headquarters staff, operations and administration of the FarmHouse Foundation, as well as build endowment for future and emerging needs.

Most importantly, your philanthropy transforms the future—of FarmHouse, all fraternities and the leaders our world so desperately needs.

EXCELLENCE FUND

How your investment will be used:

- 70% for immediate funding priorities
- 30% for an unrestricted endowment to sustain FarmHouse's future

Goal:

Raise \$1,300,000 per year

Outcome:

\$5.2 million over four years

HOW YOUR CHAPTER WILL BENEFIT FROM THE EXCELLENCE FUND:

- Provide more **health and safety education programs** to take care of the young men in your chapter and **protect the asset you invested in**.
- Double the professional Fraternity staff to provide **more and enhanced in-person training, coaching and support** to students and volunteers throughout the academic year.
- Send **six chapter officers** from your chapter to the FarmHouse Leadership Institute for **hands-on training and personal development**.
- Create curriculum and resources to provide consistent, values-based member education, to **ensure the same, positive FH experience** for all chapters and young men.
- Advance premier leadership training and personal development programs **accessible to all members**.
- Offset educational expenses for FH conferences so **registration fees are affordable** for attendees.
- Enhance **risk management education** for chapter advisors, association leaders and undergraduate members.
- Offer financial support for **international learning experiences**.
- Ensure staff and resources to implement **values-based programs and educational opportunities**.
- Strengthen every chapter and every member through investments in **growth and innovation**.

YOUR EXCELLENCE FUND INVESTMENT MAKES THIS AND MORE POSSIBLE . . .

- **\$50,000** funds an educational director staff position
- **\$25,000** sponsors a Leadership Consultant for a year
- **\$7,000** gives you an exclusive opportunity to attend the Power of 7 Seminar and mentor a rising leader
- **\$5,000** provides an increased level of hands-on staff support for one chapter
- **\$2,500** gives one chapter, like yours, access to enhanced risk management education training
- **\$1,600** provides a scholarship for The Journey, the Fraternity's international service immersion trip
- **\$800** sponsors one undergraduate from your chapter to attend the FarmHouse Leadership Institute

THANK YOU

FOUNDATION BOARD OF TRUSTEES

The Foundation is blessed with a Board of Trustees who are recognized leaders in their respective industries. They give generously, enthusiastically donate their time to attend 2-3 board meetings each year, call donors to say thank you and ask for financial support, offer their expertise to oversee the finances and make planning and policy decisions, and champion our mission of Building the Leaders of Tomorrow. A term is for three years and each Trustee can serve two consecutive terms. **We thank and recognize Andy Jacobitz (NE 85) who completed six years of service in April 2018.*

FARMHOUSE FOUNDATION STAFF

We welcomed Thomas Marten (SIU '11) to the staff as Director of Advancement in April 2017. Thomas is a 2012 graduate of Southern Illinois University (SIU) and was a founding member of the SIU FH Chapter. He was previously manager of the Stark County (Ill.) Farm Bureau and Foundation.

Bob Off (CO '64) retired in June 2017 after 44 years on the FarmHouse staff.

Because of you.

Whether it was a life-changing FarmHouse conference, once-in-a-lifetime trip abroad, financial support for another year of college, a brand-new chapter house or helping the organization continue operations and plan for the future, your gifts were at work in the lives of 1,700 young men.
