BUILDING

the Leaders of Tomorrow

MESSAGE FROM THE CHAIRMAN

“Progress shall mark our every step.” Those words could not have been more true as we look at the Foundation’s accomplishments of the past year. Of course, it is the continued support from alumni and friends that has made this possible. Rather than a lot of words, just consider the following highlights:

- Total dollars raised: **\$3,962,366** (in fiscal year 2012-13, we raised \$2,084,000, which was the first time we exceeded \$2 million in giving).
- Total assets of the Foundation now stand at **\$11,662,000**—a 44% increase.
- Contributing numbers increased to **2,151 donors**, equal to approximately 10.7% of total FarmHouse members.
- Outreach was great as the staff was able to update **427 alumni** in one-on-one meetings, help host **15 FarmHouse alumni events**, contact almost **4,400 alumni** by telephone and reach out to over **10,700 alumni** through e-communications.
- The monies will be used for numerous “chapter-building” activities. This year over \$141,000 was granted to the Fraternity for leadership training programs, approximately \$281,000 to chapter house construction and renovations, and academic scholarships to 83 undergraduates.
- The new capital campaign, Live. Learn. Lead.—The Campaign for FarmHouse, is under way. At the end

As I finish my six-year term as a member of the Board of Trustees [...] I have been extremely gratified to see the culture of our Fraternity continue as it started a hundred years ago.

of February 2014, \$8,622,827 had been tallied to get the new campaign under way.

“But you ain’t heard nothing yet,” new Chairman Jim Tobin (IA ’76) announced at the recent Conclave that the Board of Trustees had raised the goal for this new major campaign to \$20 million. I’ll bet we’ll make that in record time.

As I finish my six-year term as a member of the Board of Trustees and my second year as Chairman of the Board, I have been extremely gratified to see the

culture of our Fraternity continue as it started a hundred years ago. These funds are clearly playing a key role in “building the leaders of tomorrow.”

My heartfelt thanks to the excellent work and leadership of the Foundation staff who spent less than \$0.07 of every dollar to bring in this year’s funding. The caliber of the current Board of Trustees and that leadership will further mark the continued success of the Foundation and

its support to the Fraternity.

Most importantly, we’re grateful for your investment to make this progress possible.

Fraternally,

Jim Herbert (TN ’61), Chairman
Foundation Board of Trustees
CEO, Neogen Corporation

MESSAGE FROM THE EXECUTIVE DIRECTOR

You empower FarmHouse to do more.

What a tremendous and exciting year it has been! Because of you—the **2,151** alumni, parents, undergraduates and friends who invested in the FarmHouse Foundation during our 2013-14 fiscal year—we received a

record **\$3.96 million** in gifts and pledges. Your generosity has made FarmHouse even stronger today, and we are immensely grateful for this record-breaking support. **As a result, you continue to...**

Inspire more undergraduates through leadership programs. Your dedicated support provides vital training, mentoring and networking opportunities at the annual FarmHouse Leadership Institute, the Regional Leadership Conferences, the Emerging Talent Retreat, the Power of 7 Seminar, Conclave and locally through retreats and consultation visits.

Award more scholarships. Because of you, FarmHouse members have the opportunity to excel and continue their education through much-needed academic scholarships. Others have the opportunity to discover the world first-hand through study abroad scholarships.

Improve more chapter house facilities. You assist the Fraternity and Foundation in ensuring that FarmHouse men have safe, affordable and positive living/learning environments and up-to-date technology needed for today and tomorrow's members.

Build more FarmHouse undergraduates into the Leaders of Tomorrow. Your investment in FarmHouse prepares today's 1,600-plus FarmHouse brothers for life after college through values-based development programs and provides for the continued development of the International Office, staff and resources to continue to do more.

Your dedication to and investment in FarmHouse makes all of this possible. In turn, you enabled the

Foundation to award 172 educational grants totaling over \$530,000 for the benefit of today's FarmHouse undergraduates, chapters and the International Fraternity.

Some of you made a monthly gift by your credit card. A record number of you joined our second annual Chairman's Club to benefit the Annual Fund. Several used corporate matching gifts programs to multiply your goodwill and generosity. Many of you made a gift in honor or memory of a FarmHouse brother who influenced your life. Others have included FarmHouse in their estate plans and joined our "100 Legacies in the Making" Campaign. We salute you for your steadfast generosity and commitment.

We are humbled and honored to share the Foundation's noteworthy highlights and accomplishments from our last fiscal year with you in this Annual Report. Whatever level, whatever purpose—you played a

powerful and critical part in building men in FarmHouse chapters across North America. Your generous philanthropy has impacted the lives of countless young men and provided the tools to help them fulfill their dreams and aspirations.

As we embark on our new fiscal year, in order to keep pace with the Fraternity's exceptional educational programs, we can't rest on our laurels. I hope you will agree that sustaining and advancing the current and future programs of FarmHouse is an endeavor worthy of your support!

Please join me in celebrating this successful year and in reaching even greater milestones in the future. I guarantee your investment in *Building the Leaders of Tomorrow* will be well worth it!

Whatever level, whatever purpose—you played a powerful and critical part in building men in FarmHouse chapters across North America.

Loyally,

PROGRAMS

Thanks to you and other generous FarmHouse alumni and friends from across North America, the FarmHouse Foundation was able to provide the Fraternity \$530,110 in funding for educational and leadership purposes in the 2013-14 fiscal year...

LEADERSHIP TRAINING & EDUCATIONAL PROGRAMS

\$141,481 was provided for leadership training and educational programs. Nearly 500 chapter members were directly impacted and all 1,615 members were indirectly affected. Below is a list of FarmHouse educational and leadership programs.

FarmHouse Leadership Institute (FLI)

The FarmHouse Leadership Institute (FLI) is held each January in Kansas City and gathers top undergraduate leaders from across North America for four intense days of leadership training. January 4-7, 2014, 132 undergraduate leaders from 31 chapters attended FLI. Read more on page 23-24.

FarmHouse GROWS—New!

The International Executive Board set an aggressive membership growth goal of 40 established chapters, each with at least 40 members, by the year 2020. The first step toward this goal was a new leadership program focused on recruitment. FarmHouse GROWS was launched January 24-26, 2014, in Kansas City. In its inaugural year, 83 undergraduate leaders from 30 chapters and colonies (each chapter could send 2-4 members) gathered for an intensive recruitment workshop led in conjunction with Recruitment Boot Camp.

To Be and Become...Emerging Talent Retreat

Each chapter can send a man who has completed his first year of college to the To Be & Become Retreat, held each year in May at Camp Heartland outside of Kansas City. The curriculum includes individual leadership development through the Strengths Quest program, outdoor adventure team building activities and a high ropes course.

Power of 7 Seminar

This award-winning seminar is a first-class think-tank on the nation and FarmHouse Fraternity. The program is an informal forum, conducted under the leadership of the Foundation Trustees, on the international business climate and economy with an emphasis on agriculture, technology healthcare and entrepreneurship. Membership in The Power of 7 is exclusive to alumni who pledge to give \$7,000, a tax-deductible gift, to the Annual Fund. In return for their gift, they are invited to attend a dynamic, interactive two-day educational seminar and mentor a top junior or senior undergraduate leader.

The Journey: FarmHouse—New!

The Fraternity and the Association of Fraternal Leadership and Value (AFLV) partnered to offer The Journey, a service immersion trip, open to all FarmHouse undergraduate members. May 31-June 6, 2014, 14 FarmHouse men and facilitators traveled to Honduras to offer "service to their fellowmen and to the world." They built a house for a family in need, toured the countryside and learned about Honduran agriculture. In addition to the service and immersion components, dedicated time was spent in group discussion and personal reflection related to their work, the community they were working in and how they could continue to make a difference in their home communities.

Support for Individual Chapters

Through the chapters' Foundation Councils, the Foundation provides support for local chapter programming such as chapter retreats and leadership training seminars on both the local campus and national level.

Fraternity's Chapter Consultation Program

Fraternity Educational Leadership Consultants visit each chapter and colony every year. They live in the chapter house for several days, meet with chapter officers and offer leadership programming to all chapter members. They then make recommendations for improvement and provide support following the visit.

Association & Advisor Visit Education Program

Trained staff and volunteers travel to chapters to assess and monitor the effectiveness of the chapter advisory team leadership. They work to connect alumni volunteers with local chapters and associations through volunteer service and assist in training and educating advisors and association board members on topics and issues relevant to chapters and undergraduate students.

ACADEMIC SCHOLARSHIPS

One of the most visible acts of the FarmHouse Foundation is to offer brothers an opportunity to receive financial aid. Each year the Foundation offers scholarships that are open to all FarmHouse undergraduates. Last year 13 undergraduate members were awarded \$13,425 in unrestricted scholarships from the Foundation. Other scholarships that the Foundation administers, totaling \$33,215, were given to members of specific chapters as designated by donors. The recipients of these scholarships were selected locally. In total, the Foundation awarded **\$46,640 to 83 individual members** last year. The recipients of the FarmHouse Foundation unrestricted scholarships are pictured below. HONOR THE FRATERNITY'S AGRICULTURAL HERITAGE WITH A GIFT OF GRAIN

Build the future of young FarmHouse men with your agricultural gift. The FarmHouse Foundation accepts gifts of grain, which may be designated to a fund of your choice. Doing so, you may save on your taxes by gifting crops, whether stored or newly harvested, to the Foundation before they are sold. To learn more about making a gift of grain, visit farmhouse.org/foundation/giving_guide.htm or contact the Foundation at (800) 722-1905.

HONOR ROLL OF DONORS

The FarmHouse Foundation gratefully acknowledges the generous support of our donors. Each donation is personally acknowledged and directed toward the ongoing programs and services of the Foundation. All donations received during fiscal year (FY) 2013-2014 are acknowledged below. They are listed by **accumulative giving clubs**. Those in the H.K. Wilson Club and above will be listed every year in our annual Honor Roll.

The Foundation would be honored to add your name to our growing list of those who annually make an investment in the "Building of Men." We are grateful for every gift, whatever the amount. Since the Foundation is a qualifying 501(c)3 organization, all donations are tax-deductible.

Foundation Receives Three NIC Foundation Awards

In August 2013, the North American Interfraternity Conference Foundation (NICF) recognized the FH Foundation with two Awards of Distinction.

The "100 Legacies in the Making Campaign" was named "Best Planned Giving Effort," and the Foundation was commended for exceeding its goal of securing over \$1 million in pledged gifts and continuing its intentions to have 100 donors join the planned giving campaign.

The Foundation also received the award for "Best New Development Idea" for successfully and creatively raising over \$62,000 during the 2012 Conclave. This was achieved through a comprehensive fundraising effort during Conclave with a Live and Silent Auction, Fund-A-Need Annual Fund Auction and the Stars of FarmHouse Wall.

Foundation Executive Director, Allison Rickels also received the prestigious NICF William D. Jenkins Outstanding Professional Award, recognizing her professional achievement and exemplary service in fundraising and philanthropy in the fraternity/sorority movement and craft.

PROVIDE FOR YOUR FUTURE

and future generations of FarmHouse men

Did you know you can earn an excellent rate of return if you establish a Charitable Gift Annuity (CGA) with the FarmHouse Foundation? Today's low interest rates offer great incentives to open a CGA with the FarmHouse Foundation. For as little as \$10,000, you can ensure fixed income during your lifetime (or even that of your spouse), a charitable tax deduction during the year in which you make the gift and the pride of knowing you will provide for future generations of FarmHouse men. The chart to the right includes the rates the Foundation currently offers. Contact us to find out how you can receive extra income while at the same time changing lives, not just someday, but every day and forever.

NEW LINVILLE INTERNATIONAL CATALYST FUND

Randy (KS '73) and Debbie Linville establish largest fund for international travel in the Foundation's history

"Our favorite trip is always our next one."

For Randy Linville (KS '73) and his family, international travel is more than a passion, it's part of who they are. "For us, traveling is building family memories. I've seen the way it has impacted our children and us. It has shaped us in ways we could see and in other ways that we didn't learn until much later."

Randy is the CEO of Agspring, a private equity-backed consolidator of agribusiness firms that supply grains, oilseeds and related products to growing global markets. He has more than three decades of experience as a commodity market trader, international business executive and corporate board leader in the agriculture and commodity industry. His career has also taught him the importance of international experience.

"I saw that the world really is flat. With the amount of information and how interconnected the world is, I learned that if you don't have international exposure, if you haven't been immersed in another culture, it's just information," Randy said.

As a former FarmHouse Foundation Trustee and Chairman, Randy has been a long-time supporter of the Fraternity and the impact it makes on young men.

"I came to understand what a great multi-generational organization FarmHouse is. It's a group of 28,000 men – young and old – united by our shared values. I was challenged to find out what we could do together. The Foundation makes a great effort to build the leaders of tomorrow and I realized there were many other things we could do to help build men," he said.

He added, "My son and I went to the Galapagos Islands and stayed on a *National Geographic* explorer ship. At night, there are no lights on the islands, so you have a straight, unobstructed view of the sky. I've never been good at picking out the constellations, but out there, I had no doubt. I could see them clearly – you could almost reach out and touch them. It was amazing. And it's those types of experiences I knew I wanted to share with my FarmHouse brothers."

With his passion for FarmHouse, his family's love for traveling abroad and – more than that – their joy in sharing this experience with others, they set out to help build men in a new way. The **Randy and Debbie Linville International Catalyst Fund**, the largest fund dedicated to international travel in the Foundation's

Randy, Debbie, Grace (21) & Jake (16) in Brazil (left) and Ireland (right).

history, was born.

Reflecting on the vision for the fund, he said, "FarmHouse builds men and, to me, this isn't possible without getting international exposure. International travel is expensive and time-intensive. However, I believe it is necessary to build a well-rounded leader who is empathetic and understanding of the world around them. Debbie and I wanted to make it easier for FarmHouse undergraduates to travel abroad. In terms of grooming leaders, we couldn't think of a more rich way than this."

The Linvilles wanted to see their gift used immediately and for as many young men as possible. Therefore, they set up their fund as a temporarily restricted scholarship so that as soon as they made their initial gift, the first scholarships could be awarded.

The impact of their gift has already begun to spread across the FarmHouse membership. The fund was established in December 2013 and scholarships of up to \$2,000 per academic year were immediately available. To date, the Foundation has awarded nine scholarships totaling \$9,835. Six of these scholarships supported undergraduates attending the Fraternity's new service immersion trip, *The Journey: FarmHouse*, May 31-June 6, 2014.

"We don't know what the results will be – and that's the best part. We're planting the seeds for a future harvest. The fruit of this will go far and wide and although we may not be able to measure the results, I do know that every life touched by this fund will be changed, and that brings us great joy."

WELCOME, NEW FOUNDATION DONORS

The FarmHouse Foundation welcomed 573 new donors during fiscal year (FY) 2013-14. We thank them for their contributions and new support. As FarmHouse members, we are encouraged to strengthen each other through philanthropy, and these new donors are fine examples of this.

The Foundation recognizes the support provided by FarmHouse undergraduate members each year through the Foundation's exclusive undergraduate giving program, the Ruby Society. To become a member of the Ruby Society, undergraduates make a gift of \$10 or more to the Foundation. All donations to the Ruby Society support the leadership books and educational materials for the Regional Leadership Conferences and Conclave. The Ruby Society also offers undergraduates exclusive benefits including an invitation to a career networking reception at Conclave with distinguished FarmHouse alumni and Foundation Trustees and the "Lessons in Leadership" career networking calls held twice a year. Since its inception, undergraduate members of FarmHouse have donated over \$45,000 to the Foundation through this program. **Last year, 641 undergraduates from 26 chapters gave a record-breaking \$7,066 to the Ruby Society.** Chapters are recognized for their participation in the Ruby Society at three different levels. Below is a list of chapters who participated in the 2013 Ruby Society.

Lessons in Leadership

A career advice conference call with distinguished FarmHouse alumni

Russ Roberson
(AU '78)

Clint Foss
(IA '01)

Riley Smith
(IA '01)

The Foundation hosted two "Lessons in Leadership" calls in 2013. Russ Roberson (AU '78), Vice President QARA for GE Healthcare Information Technology, discussed how to use and apply the concepts you learn in college to your entire life. Clint Foss (IA '01), Associate Attorney at Dorsey & Whitney LLP, and Riley Smith (IA '01), Lieutenant in the U.S. Navy's Civil Engineer Corps, shared their experiences with international travel, tips for studying abroad and how gaining a global perspective led them to their careers.

Chapter Presidents accept award plaques for their chapter's participation at the 2014 FLI.

HONOR ROLL BY CHAPTER

The FarmHouse Foundation gratefully acknowledges the generous support of our donors. Each donation is personally acknowledged and directed toward the ongoing programs and services of the Foundation. All donations received during fiscal year (FY) 2013-2014 are acknowledged below. They are **listed by chapter**, in order of founding.

The Foundation would be honored to add your name to our growing list of those who annually make an investment in the "Building of Men." We are grateful for every gift, whatever the amount. Since the Foundation is a qualifying 501(c)3 organization, all donations are tax-deductible.

If you are interested in becoming a donor or if your name has been omitted or accompanied by incorrect information, contact the Foundation at (800) 722-1905. (*† denotes deceased*)

CORPORATE MATCHING GIFTS

Corporations of all sizes encourage support of charitable causes by offering to match gifts made by their employees to qualifying 501(c)3 organizations, such as the FarmHouse Foundation. Some employers will match retired employees' gifts too. The FarmHouse Foundation thanks the following corporations, which matched employees' gifts to the Foundation during the 2013-14 fiscal year.

Thank you to those who sponsored me and made this conference possible. Your contribution to send me to FLI is inspiring, and this experience has been a great learning process for my chapter. FLI unites our International Fraternity and brotherhood in a way that I've never seen before. I learned that without FarmHouse, the world would not be the same. To say that I'm honored to be a member and leader within the Fraternity is an understatement."

- William Schanus (MN '12)

ANNUAL FUND

The Annual Fund recognizes alumni and friends of the Fraternity who provide annual unrestricted gifts to the FarmHouse Foundation, thus fueling much of the service and progress of both the Fraternity and the Foundation. New programs often begin with the support of unrestricted money and unrestricted giving is essential to the Foundation's operation and programs. In order to honor and recognize donors who make unrestricted gifts, the Foundation Board of Trustees has established the Annual Fund program. The Foundation would be honored to add your name to our growing list of those who annually make an investment in the "Building of Men."

If you are interested in becoming a donor or if your name has been omitted or accompanied by incorrect information, contact the Foundation at (800) 722-1905. (+ denotes deceased)

Chairman's Club Donors

Members who invest in the Chairman's Club ensure we can meet the needs of our growing, progressive and successful International Fraternity. The following individuals made a significant investment in the Annual Fund to join the Chairman's Club during Fiscal Year (FY) 2013-14.

8th Annual Power of 7 Seminar

"I had the opportunity to network and build relationships with some of the most influential people in our organization. The Seminar also challenged me and each participant to grow and develop our personal skills while thinking "outside the box" on issues around the world," said Alec Ibach (NE '11) about his experience at the 8th Annual Power of 7 Seminar, April 25-27, in San Antonio, Texas.

The Power of 7 Seminar, a first-class think tank on our Fraternity and the nation, gathered alumni, spouses and seven undergraduate leaders for a weekend of learning, brotherhood and fellowship.

The Seminar began Friday evening with a welcome reception, followed by dinner overlooking the San Antonio Riverwalk. Roundtable discussions began Saturday morning, led by panels of Power of 7 donors and Trustees. Topics this year included food production and security, the global economy and finance and U.S. economic drivers. The Seminar concluded Sunday morning with advice, lessons and reflections from the undergraduates, alumni and spouses.

Reflecting on his Power of 7 experience, Second 7 Founder Doug Sims (IL '65) said, "This is a unique opportunity for young FarmHouse leaders to exchange thoughts and ideas with successful alumni as they are about to embark on a career. It is equally a unique opportunity for FarmHouse alumni to see what a high quality product that FarmHouse Fraternity is sending into society."

A very special thank you to the Second 7 Founders who helped make the weekend possible: **Don (KS '63) & Signe Ferguson, Mike (IL '67) & Jan Fayhee, Jerry (KS '59) & Pam Gardner, Jim (TN '61) & Judi Herbert, Doug (IL '65) & Nancy Sims, Jim Tobin (IA '76) & Gina Heagney, and Jim Wieland (ND '72).**

Interested in attending in 2015?

Save the Date - the 9th Annual Power of 7 Seminar will be held in Santa Rosa, Cal., April 24-26, 2015. Alumni who make an Annual Fund gift of \$7,000 or more during the 2014-15 fiscal year are invited to attend this memorable and impactful Seminar and have the opportunity to mentor one of FarmHouse's top undergraduates during the weekend. Contact Allison Rickels at (800) 722-1905 or Allison@FarmHouse.org for details.

THE GIFT THAT KEEPS ON GIVING

by Bob Off (CO'64), Executive Director Emeritus

It may seem like a cliché, but when it comes to planning your estate, and in that process providing a last gift, the ultimate gift, to those organizations and institutions that have been important in your life, you can truly make “the gift that keeps on giving”.

I was reminded of this recently when the FarmHouse Foundation received its largest planned estate gift to date, well over six figures, from the trust fund of **Orville** (IL '25) and **Lorraine Mowery**.

The story behind their generous gift began in the early 1990s. Fay Sims (IL '38) had recently completed his service on the Foundation Board of Trustees. During his tenure, he convinced the other Trustees and me that if the Foundation was ever going to raise significant financial resources to help sustain a growing, progressive Fraternity, the Foundation would have to have full-time professional staff.

Neither the Fraternity nor the Foundation had the money to move immediately to a full-time staff, so we started with personal visits with the Illinois alumni that Fay knew from his career with the University of Illinois College of Agriculture and the University of Illinois Foundation. Fay generously volunteered his skills and knowledge of fundraising, and shared them with me and Duane Frichtl (IL '76), who was also a volunteer and the Illinois Association president at the time.

The Mowery's were among a number of Illinois alumni we visited in their homes and offices, the first such endeavor by the Foundation since its founding in 1966. A number of these visits resulted in endowed gifts of \$10,000 or more as it did with Orville and Lorraine.

Orville had been a county extension agent, farm advisor and farmer. Lorraine was a homemaker, active in their church, community activities and an avid golfer. When we began to work with them regarding their estate planning, they were in the process of retiring and moving to Green Valley, Ariz., and I followed up with them there. When they completed their

plans in 1994, Orville returned the fund agreement that has since guided their intentions with a note that reads:

“We are both happy to make this commitment to FarmHouse. I feel that the Fraternity and many of the brothers have inspired me to become a better human being – and more successful in my work.”

Orville died in 1999. He and Lorraine had been married 72 years. She remained in the Green Valley/Tucson area. My wife Linda and I kept in touch with her there, often visiting her in her home and taking her out for Mexican food, which she and Orville loved as we do. Lorraine was 102 when she died on May 1, 2013.

The Orville O. & Lorraine Mowery Endowment Fund will annually support the Illinois Chapter in two ways: 1) one-half of the net income will be used to provide need-based scholarships for chapter members; and 2) the other half for “educational purposes, such as maintenance or improvements to areas of the chapter house (i.e. the computer room, library, or study rooms). The purpose shall be to provide a safe, comfortable ‘home away from home’ for Illinois FarmHouse actives and pledges

to enhance their educational excellence and achievements.”

The Mowery's vision of what they wanted their gift to accomplish captures the essence of what FarmHouse has stood for the past 109 years: A home away from home for young men who are serious about their education, as exemplified by the 7 Founders in 1905.

Ten thousand dollars (\$10,000) is the Foundation's threshold for named endowment funds that become a permanent part of the Foundation's support for the Fraternity: a gift that keeps on giving.

To date, 44 alumni have pledged \$2.25 million in estate gifts as part of the Foundation's **100 Legacies in the Making Campaign**. Our goal is for 100 alumni to step up and make provision in their will, trust or other planned gift of \$10,000 or more, which the donor has not previously advised the Foundation Trustees about. We haven't reached our goal, and we need your help to do so.

If you have questions or would like more information, please contact Allison Rickels, at Allison@FarmHouse.org, 800-722-1905, or me at Bob@FarmHouse.org, 816-799-0817.

FINANCIAL STATEMENTS

Dear FarmHouse Foundation
Board of Trustees:

I have audited the accompanying Statement of Financial Position of The FarmHouse Foundation as of February 28, 2014, and the related Statement of Activities, Changes in Net Assets and Cash Flows for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The FarmHouse Foundation as of February 28, 2014, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

Bruce Culley
Certified Public Accountant

How to Plant Seeds with the FarmHouse Foundation

Giving Opportunities That Make a Difference

Your Support

The Foundation is grateful for the hundreds of FarmHouse members and friends who contribute each year. It is their support that makes all FarmHouse educational and leadership programs possible. The following are ways to support the FarmHouse Foundation:

Annual Support

These gifts typically arrive in the form of checks, credit card gifts or gifts of stock. Most donors do not restrict the use of their annual gifts. This allows gifts to be allocated to the areas of most critical need.

Online Donations

The Foundation accepts donations online through PayPal, which accepts Visa, MasterCard, American Express, Discover and electronic checks. To make a gift online, please visit us at www.FarmHouse.org/Foundation.

Electronic Transfer Gift Program

This program allows you to have money withdrawn directly from your checking or saving account without having to write monthly checks or make one substantial gift. Gifts can be withdrawn either monthly or quarterly, on either the 1st or 15th of the month.

Gifts of Grain

The Foundation can accept gifts of grain. When making such a gift you will receive a tax deduction, or if you don't itemize, it will reduce the income you have to pay taxes on. For more information about making a gift of grain, please contact the Foundation.

Memorial and Honorary Gifts

A memorial or honorary gift is a thoughtful way to recognize a brother's life and accomplishments. Any amount can be directed toward this type of recognition. Memorial gifts are acknowledged to the family while honorary gifts are acknowledged to the individual.

Stock Gifts

Stocks can be transferred electronically from your brokerage account or can be sent through the mail if held in certificate form.

Matching Gifts

Your employer may have a matching gift program that can multiply your support. Please ask your personnel office for the necessary forms.

Endowment & Named Funds

Permanently endowed funds may be established and named in accordance with a donor's wishes through gifts of \$10,000 or more. Endowments may also be created with smaller gifts that the donor pledges to increase, over five years,

to the \$10,000 level. Endowment funds provide a constant source of income for the Foundation and are spent with careful consideration of the donor's intentions. Choosing to endow and name a Fraternity program or scholarship is a terrific way to Permanently establish and recognize your legacy in FarmHouse.

Planned Gifts

Long-range estate and financial planning can enable you to make a substantial contribution to a program or project of your choice in a manner consistent with your overall charitable and personal commitments. Some examples of planned gifts include bequests, insurance policies, charitable remainder trusts and charitable gift annuities. The Foundation recognizes alumni who have made such gifts as members of the FarmHouse Futures Fund and now as part of the "100 Legacies In The Making."

Restricted Gifts

Some alumni choose to restrict their gifts to specific programs, scholarships, a foundation council or building fund. For example, one alumnus may ask that his gift be used solely for scholarships while another alumnus may direct his gift to the Leadership Institute. Both of these gifts are acceptable and welcomed. The Foundation does retain the right, however, to decline any gift that does not meet the approved purposes of the Foundation or would be overly restrictive.
