

FARMHOUSE FOUNDATION SCHOLARSHIPS

Each year, the FarmHouse Foundation awards scholarships on the basis of academic achievement, exemplary integrity, ethics, initiative and industry conducive to ongoing leadership, career potential and service to others.

Eligibility

Scholarships are open for all FarmHouse chapter members to apply, several are also open to graduate students and the Lloyd Scholarship is also open to female legacies of FH members. Recipients must maintain the foregoing criteria for the academic year for which it is awarded in order to receive the full scholarship. Scholarships are renewable contingent on re-application, but not normally renewable for more than four successive years.

Application Deadline

Scholarship applications and letters of support must be sent to the FarmHouse Foundation bearing a postmark no later than **June 1, 2022**. Every effort will be made to notify the recipient well in advance of the fall semester, particularly if the recipient demonstrated need that might prevent his continued enrollment.

Scoring

Selection of recipients will be made by a committee appointed by the FarmHouse Foundation Trustees. An ideal applicant should have a commitment to achieve the level of values that FarmHouse holds so dear, in particular those principles of leadership, scholarship and a genuine interest in the success of their brothers. Applicants will be scored on their scholarship record (30 points); evidence of high moral character, integrity and ethics (25 points); leadership and service (25 points); and letters of support (20 points).
